The Coming Of The Gods:

The Coming of God G. R. Beasley-Murray, 2007-01-01 The Coming of God Few subjects are more basic than the one chosen for this book The coming of God to save his people is at the heart of Old Testament faith The theme develops further when Jesus announces the Kingdom of God and attention is focused on his death and resurrection What Jesus says about himself in relation to this Kingdom throws light also on the mystery expressed in John 10 30 I and my Father are one The author's gift as preacher and teacher here combine to make a broad appeal to nonspecialist readers who want to understand their faith better Its depth and solidity are the fruit of a lifetime devoted to biblical scholarship The Coming of God Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jürgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God's promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann's novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann's comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God **The Coming of the Gods** Jean Sendy, 1973 **Nietzsche's Coming God** Abir Taha, 2013 In Nietzsche's Coming God the author demonstrates that the destructive and nihilistic side of Nietzsche's thought was in fact only a hammer that Nietzsche used in order to destroy the millenarian lies of Judeo Christianity a necessary albeit transitory stage that preceded his ultimate creation the Superman an incarnation of the god in the making the coming god Contrary to popular belief Nietzsche was both a free spirit and a deeply spiritual thinker who welcomed the death of the false god the god who curses and denies life not as an end in itself but as a prelude to the rebirth of the divine Indeed although Nietzsche was an avowed atheist he was also the most pious of the godless as he described himself in Thus Spoke Zarathustra Nietzsche dreamt of and augured a new mode of divinity and a new hope for mankind which having rejected both religious obscurantist dogma as well as Cartesian rationalist dogma would be the search for eternal self perfection and self overcoming The death of the god of monotheism thus paved the way for a new pantheistic and pagan vision of the divine heralding a god to come beyond good and evil a god who affirms and blesses life Nietzsche's coming god is none other than Dionysus reborn or the redemption of the divine Abir Taha holds a postgraduate degree in Philosophy from the Sorbonne and is a career diplomat for the government of Lebanon having previously served as the Consul at the Lebanese embassy in Paris A thinker and a poet as well she has spent years

conducting in depth research and analysis into Nietzsche's thought which has led her to assert the importance of the spiritual dimension of his philosophy derived from the Vedic tradition of India as well as ancient Greek philosophy Unlike other Nietzsche scholars who treat him as a purely secular philosopher Taha believes that this spirituality lies at the very heart of his thought In English she has previously published Nietzsche Prophet of Nazism The Cult of the Superman 2005 and The Epic of Arya In Search of the Sacred Light 2009 *The Coming of Cuculain* Standish O'Grady, 2004-10 Cuculain and his friends are historical characters seen as it were through mists of love and wonder whom men could not forget but for centuries continued to celebrate in countless songs and stories They were not literary phantoms but actual existences imaginary and fictitious characters mere creatures of idle fancy do not live and flourish so in the world's memory And as to the gigantic stature and superhuman prowess and achievements of those antique heroes it must not be forgotten that all art magnifies as if in obedience to some strong law and so even in our own times Grattan where he stands in artistic bronze is twice as great as the real Grattan thundering in the Senate I will therefore ask the reader remembering the large manner of the antique literature from which our tale is drawn to forget for a while that there is such a thing as scientific history to give his imagination a holiday and follow with kindly interest the singular story of the boyhood of Cuculain battle prop of the valour and torch of the chivalry of the Ultonians **The Academy**, 1907 *The Gods in Chains* Curuppumullagē
