The Coming One Israel In The Last Days:

Israel in the Last Days of the Present Economy; Or, An Essay on the Coming Restoration of this People: Also a Fragment on Millennarianism Emilius Guers (Protestant Pastor, Geneva.),1862 Israel in the last days of the present economy ... Translated from the French ... With a preface by A. C. Price Émile GUERS,1862 The Coming One; Israel in the Last Days Kurt E. Koch,1972 *Jesus Is Coming Soon?* Jim Reeves,2016-06-30 Jesus said he was coming soon All his disciples and the writers of the New Testament heard what he said and believed he would return during their lifetime Over two thousand years later most Christian people believe he has still not come yet continue to claim he is coming soon Is it possible we have totally missed something from the Scriptures about this second coming of Christ It may surprise you to learn Jesus explained in very clear understandable terms not only when he was coming back but more importantly why Over the past years there have been hundreds of prophesies about when Jesus was coming and when the world would end All of them have proven to be false doing little more than casting doubt on the credibility of the Bible and the faithfulness of God Perhaps it is time we took a fresh look at what the Bible actually says about the end times There are a lot of differing opinions about the second coming the end of the world the last days and a host of other topics associated with the promised coming of Jesus This book examines what the Scriptures actually say about these topics and how they all fit perfectly into God s plan to redeem mankind from the consequences of sin Jesus Is Coming Soon presents a clear easy to understand explanation about these end time events And it is an exciting and positive message God s plan for the world was is and always be its salvation not its destruction You will be glad you read this book **The Church in the Coming Great Tribulation** Steve Urick,2009-08-17 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as taught by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being said by modern day prophecy teachers this timely work sheds light on the subject and will help to clear up any confusion you might have **The Jewish Messiah and the Second Coming** John P. Schwulst,2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah s return to them in the last day *The USA, Israel, Egypt and the APOCALYPSE* Danny Bernardo Bajit,2025-08-08 The beginning and destiny of nations were all written in the Bible The prophecies were never clearly understood the true meanings have been hidden Consider Egypt often mentioned in the prophecies A cruel Pharaoh will again rule not only over Israel but also the entire world But who is the real Egypt in our generation How about the House of Judah Where is the House of Israel with the ten lost tribes Why the prophecies about the

ancient empires of Assyria and Babylon All of them shall also reprise their old roles in the last days What is behind the mystery number 666 of the Antichrist Discover also God s divine purpose for Greenland in the last days from where the great deliverance by the Almighty will come Know more details about the Battle of Armageddon the Second Coming of our Lord Jesus Christ the Millennium and the glorious beyond The time is ripe and the end is drawing very very close After the seven years of abundance in Egypt comes the Apocalypse I look for your deliverance Lord Genesis 49 18 NIV The Coming Israel Awakening James W. Goll, Jim W. Goll, 2009-03 As the Church cries to God on Israel s behalf the land of Israel will awaken and God will move powerfully among the Jewish people worldwide *Israel: the 51st State* Morris Glen Bowers, 2005-06 One thing that people are slow to learn a thing that they must learn to correctly understand the Bible is that the whole Jewish religion ended at the cross of Christ and a new order became effective The total misunderstanding of Matthew chapter 24 is at the root of most of this confusion If the Messiah didn t come during the time of the Roman occupation of the land of promise then HE will never come It will never happen What the Palestinians feared would happen has clearly happened The killing and confusion in the Middle East is to be laid at the feet of the United Nations England France and the United States The false doctrine of premillennialism and those that teach this subject must take full responsibility for adding fuel to the fire of hatred among the State of Israel and Palestinians The current day denominational preachers that are guilty of teaching this evil doctrine are Billy Graham Garner Ted Armstrong Franklin Graham Jack Van Impe Pat Robertson John Hagee Jerry Falwell Benny Hinn David Cerullo Pat Robison Lou Shelton the Trinity Broadcasting Network and the thousands of less known denominational preachers in your own home towns across America The Bible contains the mind of God the state of man the way of salvation the doom of sinners and the happiness of believers Its histories are true its doctrines are holy its precepts are binding and its decisions are immutable Read it to be wise believe it to be safe and practice it to be holy **The Coming of God** Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God
