P. Cavafy* C. P. Cavafy, 2009-09-28 C P Cavafy 1863 1933 lived in relative obscurity in Alexandria and a collected edition of his poems was not published until after his death Now however he is regarded as the most important figure in twentieth century Greek poetry and his poems are considered among the most powerful in modern European literature This revised bilingual edition of Collected Poems offers the reader the original Greek texts facing what are now recognized as the standard English translations of Cavafy s poetry It is this translation that best captures the poet s mixture of formal and idiomatic language and that preserves the immediacy of his increasingly frank treatment of homosexual eroticism his brilliant re creation of history and his astute political ironies This new bilingual edition also features the notes of editor George Savidis and a new foreword by Robert Pinsky
