Stone, 2023-05 At the height of the McCarthy era and the inception of the Cold War the great journalist I.F. Stone released *The Hidden History of the Korean War* a courageous work of investigative journalism that demolished the official story about America's so called forgotten war As the war spiraled to its conclusion Stone closely analyzed openly available U.S. intelligence narratives on the war's official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai-shek The result of his investigations was a controversial book that raised questions about the origin of the war showed that the U.S. government had manipulated the United Nations and gave evidence that the U.S. military and South Korean oligarchy dragged out the war by sabotaging peace talks Stone made a strong case that there were those in the U.S. government and military who saw instability in the region as in the U.S. national interest *America in Korean War* KidCaps, 2013-01-04 Have you ever heard of the Battle of Osan or even of the Korean War that it was a part of This war has been called America's
