The Haj:

The Haj Leon Uris, 1985-05-01 The narrative is fast paced bursting with action and obviously based on an intimate grasp of the region its peoples their tradition and age old ways of life John Barkham Reviews Leon Uris returns to the land of his acclaimed best seller Exodus for an epic story of hate and love vengeance and forgiveness and forgiveness The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble Where an Arab ruler tries to save his people from destruction but cannot save them from themselves When violence spreads like a plague across the lands of Palestine this is the time of The Haj Perceptions of the Haj Virginia Matheson Hooker, Anthony Crothers Milner, 1984 A study of the five Malay accounts of the haj recorded between the 11th century and 1979 The authors are concerned not merely with the substance of the description of the pilgrimage but also with the way in which the pilgrimage is presented

The Hajj Eric Tagliacozzo, Shawkat M. Toorawa, 2016 Scholars from a range of fields tell the story of the Hajj and explain its significance as one of the key events in the Muslim religious calendar This volume pays attention to the diverse aspects of the Hajj as lived every year by hundreds of millions of Muslims worldwide **The Hajj and Europe in the Age of Empire**, 2016-10-05 The present volume focuses on the political perceptions of the Hajj its global religious appeal to Muslims and the European struggle for influence and supremacy in the Muslim world in the age of pre colonial and colonial empires In the late fifteenth century and early sixteenth century a pivotal change in seafaring occurred through which western Europeans played important roles in politics trade and culture Viewing this age of empires through the lens of the Hajj puts it into a different perspective by focusing on how increasing European dominance of the globe in pre colonial and colonial times was entangled with Muslim religious action mobility and agency The study of Europe s connections with the Hajj therefore tests the hypothesis that the concept of agency is not limited to isolated parts of the globe By adopting the tools of empires the Hajj in itself a global activity would become part of global and trans cultural history With contributions by Aldo D Agostini Josep Llu s Mateo Dieste Ulrike Freitag Mahmood Kooria Michael Christopher Low Adam Mestyan Umar Ryad John Slight and Bogus aw R Zag rski *The British Empire and the Hajj* John Slight, 2015-09-21 The British Empire governed more than half the world s Muslims John Slight traces the empire s complex interactions with the Hajj the annual pilgrimage to Mecca from the 1860s when an outbreak of cholera led Britain to engage reluctantly in medical regulation of pilgrims to the Suez Crisis of 1956 He gives voice to pilgrims and officials alike **The Politics of the Hajj from a Comparative Perspective** Muriel Gomez-Perez, Cédric Jourde, Marie Brossier, 2025-02-28 This book analyzes the contemporary politics of the Hajj in countries of Africa the Near East and Southeast Asia States must organize the mobility of approximately two million pilgrims every year States also manage the flow of vast amounts of financial resources related to the Hajj as well as the transmission of religious and political ideas about how the world ought to be governed The contributions in this volume investigate how states attempt to manage the Hajj and the power relations they develop with pilgrims religious leaders and entrepreneurs of

various types They also examine the Hajj organization from the viewpoint of pilgrims how they make sense of the bureaucratic apparatus they encounter how they navigate the constraints imposed upon them and how they seize opportunities to fulfill their religious economic and social aspirations The Politics of the Hajj from a Comparative Perspective closely analyzes political interactions between states pilgrims religious actors and entrepreneurs and the extent to which they have evolved over time Bargaining for Reality Lawrence Rosen,1984-12-15 Drawing on the philosophy of speech acts as well as interpretive theory Rosen shows how for the people of this Muslim community reality consists of the network of obligations formed by individuals out of a repertoire of relational possibilities whose defining terms are comprised by a set of essentially negotiable concepts He thus demonstrates that the bonds of family tribe and political alliance take shape only as the bargains struck in and through the malleable terms that describe them take shape that statements about relationship are no more true than a price mentioned in the marketplace until properly validated that the relations between men and women Arabs and Berbers Muslims and Jews test the limits of interpersonal negotiation and that the concepts of time character and narrative style are consonant with a view of reality as bargained for network of obligations From the publisher s description

Indonesia's Ministry of Religious Affairs under Joko Widodo Syafiq Hasyim,Norshahril Saat,2020-11-13 Indonesia is the most populous Muslim country in the world with 87.18 per cent of its 260 million population embracing the Islamic faith However Indonesia is neither an Islamic state nor a secular one It adopts Pancasila as the state ideology but has a Ministry of Religious Affairs MORA overseeing six official religions MORA has its genesis in Dutch colonial rule 1602-1942 It was strengthened during the Japanese occupation 1942-45 and then sustained by the post independence Indonesia government

after 1945 The decision to keep MORA was to compensate those who had aspired for the enactment of the Jakarta Charter in the era of Sukarno but failed MORA has always been the arena for contestation between the traditionalist Nahdlatul Ulama NU and the modernist Muhammadiyah Both organizations eye not only the minister post or leadership positions in the bureaucracy but also lower ranking positions This article examines how MORA has been managed under President Joko Widodo Jokowi from 2014 till the present It highlights similarities and differences in Jokowi s control of the influential ministry compared to his predecessors In 2014 even though Jokowi was elected on a reform agenda he left MORA untouched After the 2019 election Jokowi appointed Fachrul Razi a retired general as Minister of Religious Affairs departing from past practices of naming a religious scholar ulama or a religiously trained person santri to that position This demonstrates a wish on the part of the President to shake up the ministry and to exert control over the institution This decision however has alienated core supporters in NU who helped him get re elected in 2019

Law and Religion in Indonesia Melissa Crouch, 2013-11-12 Understanding and managing inter religious relations particularly between Muslims and Christians presents a challenge for states around the world This book investigates legal disputes between religious communities in the world s largest majority Muslim democratic country Indonesia It considers how the interaction between state and religion has influenced relations between religious communities in the transition to democracy The book presents original case studies based on empirical field research of court disputes in West Java a majority Muslim province with a history of radical Islam These include criminal court cases as well as cases of judicial review relating to disputes concerning religious education permits for religious buildings and the crime of blasphemy The book argues that the democratic law reform process has been influenced by radical Islamists because of the politicization of religion under democracy and the persistence of fears of Christianization It finds that disputes have been localized through the decentralization of power and exacerbated by the central government s ambivalent attitude towards radical Islamists who disregard the rule of law Examining the challenge facing governments to accommodate minorities and manage religious pluralism the book furthers understanding of state religion relations in the Muslim world This accessible and engaging book is of interest to students and scholars of law and society in Southeast Asia as well as Islam and the state and the legal regulation of religious diversity

Parliamentary Debates India. Parliament. Rajya Sabha,1987 **The Axis of Evil** Shaul Shay,2017-10-19 In the nearly 25 years since the ascent of an Islamic regime Iran has become one of the most prominent supporters of terror worldwide Today Iran actively employs terror to achieve its international objectives The Axis of Evil outlines the operations and goals of Shiite and Iranian terror As Shaul Shay shows Iran has done its utmost to conceal its involvement in terror activities and avoids leaving incriminating fingerprints that might prompt retaliatory action by victims of this terrorism In consequence most of what we know about Iranian terror activity has been gleaned from the capture and trials of Iranian terrorists or terrorists acting on Iran's behalf The Axis of Evil deals extensively with Iran's involvement in terrorist activity against Israel through Hizballah after the Israel Defense Forces withdrawal from Lebanon May 2000 and the instigation of the Al Aksa Intifada September 2000 2003 It examines Iran's attitude towards the State of Israel since the rise of Khomeini confirming that Iran sees Israel as a primary source of the world's wrongdoings and the epitome of evil In turn Israel has become one of Iran's archenemies Over the years Iran has strengthened its ideological links with radical Arab and Palestinian circles In addition it actively supports Hizballah which acts on behalf of Iran from its base in Lebanon and perpetrates terror attacks against Israel and against representatives of Western and Arab countries in Lebanon as well as in the international arena
