The Sinking of HMS Royal Oak Dilip Sarkar,2012-09-15 The story of the sinking of the HMS Royal Oak by a German submarine which cost the lives of 833 Royal Navy sailors *The Theatre of Kander and Ebb* Robert Gordon,2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb s collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre **The**

A Word Before I Go Barbara Whitley, 2020-03-23 What you are thinking about me is right says I and it's wonderful and beautiful and if you make it ugly for me I'll hate you for the rest of my life So flopping down and turning my poor brave face to the wall I'm still glad I said that Raised in a Sydney family of successful older brothers and sisters young Barbara Whitley is determined to find her own direction Her choices are instinctive but not always wise in the cramped world of the 1930s a degree in Classics that fitted her for no profession bad choices in men taking a flat on her own when she'd grown up in the warmth of a loving family a thoughtless marriage choice The War comes and Barbara's struggle for selfhood is further constrained not least by the birth of her daughter and the failure of her marriage And yet luck finally takes a hand in the form of a handsome lieutenant on leave in Sydney With an Introduction by Garry Kinnane *Titan* James Hogg, 1849

A Teacher's Tale Joe Gilliland, 2015-03-05 It was never in author Joe Gilliland's plan to become a teacher certainly not a college teacher and most certainly not an English teacher But that's what happened and he's never looked back In *A Teacher's Tale* he explains how by neither planning for nor seeking a life of learning and teaching lacking a syllabus or lesson plan he discovered that a life in academe lay in his path a path he's followed for more than fifty years *A Teacher's Tale* begins in 1932 with Gilliland's first experiences in schooling and concludes in the summer of 1955 just as he completes his apprenticeship and stands on the brink of becoming a qualified instructor in a small college in east Texas This memoir presents a collection of stories about his experiences as a teacher and a college student A story of schooling deeply immersed in the arts and humanities *A Teacher's Tale* shares Gilliland's love of the university and how it compelled him to seek a life devoted to teaching primarily in the community college arena Through this narrative he brings together a philosophy of higher education based on the importance of arts and humanities in today's high tech world *Changing the Gift* Fabienne Gassmann, 2014-06-04 Every book starts with an idea that transforms into an outline and only later becomes a story No one
