**Chronology of Medieval British History** Timothy Venning, 2020-05-21 A Chronology of Medieval British History 1066 1307 covers events in British history starting with the arrival of the new Norman ruling dynasty which connected British politics culture religion and society more closely to mainland Europe and ending with Edward I's death and Robert Bruce's revolt in 1307 The book is designed as a year by year guide to political military religious and cultural developments centred on the states within the British Isles England Scotland the Welsh states until annexation in 1282 and Ireland until conquest in the 1170s Throughout the book a detailed but succinct narrative of events is provided clearly explaining what happened and when The relevant sources and the latest academic studies for each period are listed and any difficulties relating to the dating accuracy and interpretation of records are identified Comprehensive and accessible A Chronology of Medieval British History 1066 1307 will be of great use to students of medieval British and European history *Reader's Guide to British History* David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication **Medieval Monks and Their World: Ideas and Realities**

David Blanks, Michael Frassetto, Amy Livingstone, 2019-01-28 This volume examines the world of the medieval monk The first section of the volume is organized around the theme of monks and the world and explores the intersections between the secular and sacred The second section is concerned with the ideological or intellectual lives of medieval monks These essays examine the ideas that were important to monks and that shaped the intellectual discourse of the Middle Ages Contributors

include David R Blanks Constance B Bouchard Darlene L Brooks Hedstrom Daniel F Callahan M A Claussen John J Contreni Edith Wilks Dolnikowski Michael Frassetto Amy Livingstone Kathleen Mitchell and Steven A Stofferahn Æthelflæd, Lady of the Mercians, and Women in Tenth-Century England Rebecca Hardie, 2023-11-06 thefl d c 870 918 political leader military strategist and administrator of law is one of the most important ruling women in English history Despite her multifaceted roles and family legacy however her reign and relationship with other women in tenth century England have never been the subject of a book length study This interdisciplinary collection of essays redresses a notable hiatus in scholarship of early medieval England thefl d Lady of the Mercians and Women in Tenth Century England argues for a reassessment of women s political military literary and domestic agency It invites deeper reflection on the female kinships networks and communities that give meaning to thefl d s life and through this shows how medieval history can invite new engagements with the past

**Western Warfare In The Age Of The Crusades, 1000-1300** John France, 2020-09-16 In 1095 the First Crusade was launched establishing a great military endeavour which was a central preoccupation of Europeans until the end of the thirteenth century In Western warfare in the age of the Crusades 1000 1300 John France offers a wide ranging and challenging survey of war and warfare and its place in the development of European Society culture and economy in the period of the Crusades Placing the crusades in a wider context this book brings together the wealth of recent scholarly research on such issues as knighthood siege warfare chivalry and fortifications into an accessible form Western warfare in the age of the Crusades 1000 1300 examines the nature of war in the period 1000 1300 and argues that it was primarily shaped by the people who conducted war the landowners John France illuminates the role of property concerns in producing the characteristic instruments of war the castle and the knight This authoritative study details the way in which war was fought and the reasons for it as well as reflecting on the society which produced the crusades **Rereading Huizinga**

Peter Arnade, Martha Howell, Anton Lem, 2025-10-01 Rereading Huizinga Autumn of the Middle Ages a Century Later explores the legacy and historiographical impact of Johan Huizinga s 1919 masterwork a century after its publication Often considered one of the most successful books in medieval European history its reception has varied over the last hundred years popular with non academic readers and appraised more critically by fellow historians and those more generally in the field of medieval studies There is broad consensus however about the work s absolute centrality and the authors of this volume assess the Autumn of the Middle Ages reception afterlife and continued vitality **Reconstructing the**

**Development of Somerset's Early Medieval Church** Carole Lomas, 2024-05-09 This book uses Somerset as a case study to contribute to a broader understanding of how the Church developed across the British Isles during the transition from the post Roman Church to the 11th century It collates and cross references all earlier research and offers the most up to date study of Somerset s post Roman churches *Religious Life in Normandy, 1050-1300* Leonie V. Hicks, 2007 Presenting new light on the reality of religious life in Normandy the author uses ideas about space and gender to examine the social

pressures arising from such interaction around four main themes display reception and intrusion enclosure and the family

The Two Latin Cultures and the Foundation of Renaissance Humanism in Medieval Italy Ronald G. Witt, 2012-03-19 This book traces the intellectual life of the Kingdom of Italy the area in which humanism began in the mid thirteenth century a century or more before exerting its influence on the rest of Europe Covering a period of over four and a half centuries this study offers the first integrated analysis of Latin writings produced in the area examining not only religious literary and legal texts Ronald G Witt characterizes the changes reflected in these Latin writings as products of the interaction of thought with economic political and religious tendencies in Italian society as well as with intellectual influences coming from abroad His research ultimately traces the early emergence of humanism in northern Italy in the mid thirteenth century to the precocious development of a lay intelligentsia in the region whose participation in the culture of Latin writing fostered the beginnings of the intellectual movement which would eventually revolutionize all of Europe

### **The Archpoet and Medieval Culture**

Peter Godman, 2014 This is the first monograph to be published about one of the most famous and least understood authors of the Latin Middle Ages We know him by the pseudonym of Archpoet Setting the Archpoet's world and works in their historical contexts Peter Godman argues that they provide insight into a brilliant counter culture of medieval Germany Its subtlest exponent did not indulge in literary play but refashioned the political social and religious roles available to a twelfth century thinker in order to create for himself and his patron an identity alternative to the norms of clerical conformity prevalent elsewhere in Europe At a time when Germans were being decried as backward barbarians he produced a manifesto of intellectual heterodoxy which wittily challenged the truth claims made by humourless moralists The Archpoet and Medieval Culture reconsiders the categories in which the literature of the Middle Ages is interpreted and suggests a less literal mode of reading the sources to historians

The Birth and Growth of an Angevin Castellan Peter Joseph Burkholder, 2000

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

The 'Other', Identity, and Memory in Early Medieval Italy Luigi Andrea Bertoni, 2022-11-30 The political

fragmentation of Italy created by Charlemagne's conquest of a part of the Lombard Kingdom in 774 and the weakening of the

Byzantine Empire in the eighth and ninth centuries the conquest of Sicily by the Muslims in the ninth century and the Norman conquest of southern Italy in the second half of the eleventh century favored the creation of areas inhabited by persons with different ethnic religious and cultural background Moreover this period witnessed the increase in production of historical writing in different parts of Italy Taking advantage of these features this volume presents some case studies about the manner in which others were perceived what was known about them the role of identity and the use of the past in early medieval Italy ninth eleventh centuries focusing in particular on how early medieval Italian authors portrayed that period and were sometimes influenced by their own present in their reconstruction of the past The book will appeal to scholars and students of otherness identity and memory in early medieval Italy as well as all those interested in medieval Europe

Jewish Muslims David M. Freidenreich, 2023-01-10 Introduction Jewish Muslims Biblical Muslims Judaizing Muslims Anti Christian Muslims Afterword Rhetoric about Muslims and Jews today      **Wonderful to Relate** Rachel

Koopmans, 2011-11-29 While the late Anglo Saxons rarely recorded saints posthumous miracles a shift occurred as monastic writers of the late eleventh and twelfth centuries started to preserve hundreds of the stories they had heard of healings acts of vengeance resurrections recoveries and other miraculous deeds effected by their local saints Indeed Rachel Koopmans contends the miracle collection quickly became a defining genre of high medieval English monastic culture Koopmans surveys more than seventy five collections and offers a new model for understanding how miracle stories were generated circulated and replicated She argues that orally exchanged narratives carried far more propagandistic power than those preserved in manuscripts stresses the literary and memorial roles of miracle collecting and traces changes in form and content as the focus of the collectors shifted from the stories told by religious colleagues to those told by lay visitors to their churches Wonderful to Relate highlights the importance of the two massive collections written by Benedict of Peterborough and William of Canterbury in the wake of the murder of Thomas Becket in 1170 Koopmans provides the first in depth examination of the creation and influence of the Becket compilations often deemed the greatest of all medieval miracle collections In a final section she ponders the decline of miracle collecting in the thirteenth century which occurred with the advent of formalized canonization procedures and theological means of engaging with the miraculous      **Medieval Islamic**

**Economic Thought** S.M. Ghazanfar, 2004-06-02 This book is a collection of papers on the origins of economic thought discovered in the writings of some prominent Islamic scholars during the five centuries prior to the Latin Scholastics who include St Thomas Aquinas This period of time was labelled by Joseph Schumpeter as representing the great gap in economic history Unfortunately this gap is well embedded in most relevant literature However during this period the Islamic civilization was one of the most fertile grounds for intellectual developments in various disciplines including economics and this book attempts to fill that blind spot in the history of economic thought      **Stephen and Matilda** Jim

Bradbury, 2011-10-21 Stephen s reign was one of the darkest periods of English history He had promised Henry I that he

would support the king's daughter Matilda as the rightful heir to the English throne but when Henry dies in December 1135 he broke his promise and quickly made himself king. Like many of the nobles he was unwilling to yield the crown to a woman. Civil wars and the battle for the English Crown dominated his reign and this fascinating book examines the conflict between Stephen and his cousin. The campaigns, battles and sieges of England's first civil war are explored including the two major battles at the Standard and Lincoln which show that Stephen always held more ground than his opponents and was mostly on the offensive. The two sides finally reached a compromise after 14 years with the Treaty of Wallingford. Stephen would rule unopposed until his death but the throne would then pass to Henry of Anjou, Matilda's son. Full of colourful characters this is a fascinating story of rivalry for the English throne which throws new light on a neglected aspect of Stephen's reign.
