**What Is the Condition of Your Heart According to the Scriptures?** Roger Nimmo, 2019-07-16 What are you treasuring in your heart and is your heart good ground I believe the condition of our hearts will determine how much of the power of God will continually work in our lives The condition of your heart does not affect how much God loves you or how he sees you God sees us perfect in Christ Jesus The condition of your heart will affect how you relate and see God Blessed are the pure in heart for they shall see God Matthew 5:8 God never condemns us but loves us unconditionally Romans 8:1 The heart is affected by what we are looking at the people we hang out with what we are listening to what we are reading what we are watching whom we are speaking to the universities we attend or what we are focused on When our heart is like the heart of God the power of the Holy Spirit freely flows and is not restricted The Bible says We access grace by faith but unbelief and doubt in the heart will choke faith and so we are not as fruitful Remember in Galatians 4:6 God sent forth the Spirit of his Son into your hearts crying Abba Father If our hearts are defiled with unbelief doubt fear or a sinful conscience we restrict the power of the Holy Spirit This occurs because the heart is like a conduit for the power of the Holy Spirit to flow out to our mind body soul and all that God desires to do in and through us If we put the world in we get the world out which leads us to a defeated life and keeps us from entering into His rest The author uses

scripture after scripture to show his point If you are a person who wants not just the author s opinion but also Scripture to back everything up this book is for you      The Sacred Heart of Jesus Stephen J. Simcha,2010-06-03 In the Jewish tradition it is believed that when people come to this earth they must do three things have children plant a tree and write a book Simcha has had some wonderful spiritual children that G D Almighty has given her through the years to teach His Word She says that she is not too sure about the tree yet but now here is the book Simcha truly believes that YHVH has given her this book for her own well being and for the well being of all mankind She treasures this book as her gift from Father Almighty She is truly grateful that G D took the time to speak to her intelligence and mind Please enjoy this book treasure it and HAVE A GOOD HEART      MATTERS OF THE HEART Patrick J Vaughan,2010-02-19  
We need to learn to concentrate on our spiritual heart even more than we concentrate on our physical heart We need to learn to release and dig up the pain and sorrows that have cast away the person we were or the person we were to become There are over 900 specific scriptures in the Bible according to the Strong s Concordance dealing with the word heart The Bible talks a lot about the condition of the heart We are going to look at many conditions many insights and many examples of people of scripture that have dealt with and changed their hearts through faith and truth There is a spiritual battle going on right now for your spiritual heart There is a battle for your affection and your intimacy We are going to learn about the spiritual heart and how God can make us new whole and complete the way we are meant to be There are many matters of the heart spoke about in the Bible because the state of my heart and your heart really does matter      *Looking upon the Heart*  
Pete Carlson, MFT,2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome

psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus      **Heart to Heart--The Journey Outward** Robert P. Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
