Kryon's words have changed lives and brought love and light into some of the darkest places of our inner being. The storyline for *THE JOURNEY HOME* was inspired by Kryon and written by Lee Carroll. This fascinating parable tells the story of Michael Thomas, a seemingly ordinary man who was born in Minnesota and who is now working in Los Angeles. He represents the American icon of normalcy and discontent. After having an accident that leaves him near death, Michael is visited by a wise angel who asks what it is that Michael really wants from life. Michael replies that he really wants to go HOME. In order to get to his final destination, Michael must first go through a series of adventures and trials in an astounding land filled with angelic beings, wise teachers, and even sinister entities. Michael's quest is an emotional, humorous, awe-inspiring one that he could have scarcely imagined. Travel with Michael Thomas on his metaphysical journey home; it's a wondrous and memorable trip that will stay with you always. **The Catholic Library World** John M. When the Holy Spirit directed me to write this thesis it was after God had implemented the changes and corrections for the church and believers began to benefit fully from the transition I hope you will be blessed by the many wonderful testimonies throughout The apostolic thesis is the first of its kind Not only does the Holy Spirit explain faith crisis and spiritual exploitation but also uncovers the underlying root causes God is addressing a faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing
