**Historical Destiny and National Socialism in Heidegger's Being and Time** Johannes Fritzsche, 2023-04-28 There has been much debate over the relationship of Heidegger's philosophy in particular his book *Being and Time* to his practical involvement with National Socialism Yet the question has never been addressed through a comparison of *Being and Time* with other texts on history and politics written at the time Johannes Fritzsche does this providing a detailed interpretation of the relevant passages in *Being and Time* especially sections 72-77 on fate community and society He analyzes for comparison two other authors who explicitly regarded themselves as rightists Adolf Hitler *Mein Kampf* and Max Scheler *Formalism in Ethics* and other writings and two authors on the left Georg Lukács *History and Class Consciousness* and Paul Tillich *The Socialist Decision* Fritzsche concludes that *Being and Time* is a brilliant summary of right wing politics in general which proposes the destruction of liberal society in order to regenerate an idealized community In addition Heidegger rejects positions on the right such as Scheler's that enabled their authors to distance themselves from the most extreme political rightists and thus he paves the way for National Socialism *Being and Time* Fritzsche demonstrates must be seen as a clear case for the National Socialists and their project of revitalization of the *Volksgemeinschaft* the community of the people This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1999 There has been much debate over the relationship of Heidegger's philosophy in particular his book *Being and Time* to his practical involvement with National Socialism Yet the question has never been addressed through a comparison of *Being and Time*
