## **The Hey Mister Celebrity Roast:**

**Hey, Mister** Pete Sickman-Garner, 1999 This trade paperback collects the first four issues of Pete Sickman Garner's regular series HEY MISTER topped off with three new stories and a few anthology pieces Follow the adventures of Pete's hilarious cast of misfits Young Tim Mister Aunt Mary and Hideous Mutants don't ask as they continue their guerrilla war against everything sacred and beautiful Best of all there aren't any actual celebrities Well except for Sting but he gets killed off rather quickly What's Wrong? Robin Fisher, 2002 Little Sister's Book Art Emporium Vancouver's legendary gay and lesbian bookstore has long fought for freedom of expression to the point of taking Canada Customs to court charging that by regularly seizing materials destined for the store branding them obscene the federal agency was guilty of harassment and infringement of free speech In December of 2000 the Supreme Court of Canada handed down a landmark decision in the case of Little Sister's Book Art Emporium vs Canada stating that the onus of proving that expressive material is obscene lies with Canada Customs Little Sister's battle against censorship continues as they recently filed an appeal against Canada Customs for prohibiting the importation of two adult comic books in the Meatmen series It is the belief of the owners and staff of Little Sister's that the comic books at issue have unquestionable artistic merit and therefore do not fit the definition of obscenity The comic books are anthologies of works by both prominent and up and coming gay artists Some claim that comic art is not artistic but this is not a belief held by Arsenal Pulp Press And so we are pleased to announce the publication of two collections of comic art by renowned and newer artists dealing with the issue of censorship with proceeds being donated to the Little Sister's Defence Fund to assist in their legal challenge to the actions of Canada Customs The two volumes of What Right are graphic interpretations of what it means to live in a society where we presumably enjoy the right to free speech and what happens when as often happens that right is challenged The first collection subtitled Graphic Interpretations Against Censorship includes comic art that confronts the serious issues around the denial of civil rights and freedom of speech in particular The second collection What's Wrong subtitled Explicit Graphic Interpretations Against Censorship includes comic art often satirical that epitomizes the kinds of materials that Canada Customs seems intent on censoring by refusing to allow such materials into the hands of Canadian citizens The two books in the What Right series are fundraising projects for the Little Sister's Defence Fund Arsenal Pulp Press is donating all proceeds over and above its production costs and all individuals involved have donated their time energy and creative talents to create two marvelous collections of engaging comic art Each book includes an introduction by Mark Macdonald author and buyer for Little Sister's Book Art Emporium

becomes increasingly apocalyptic deranged and hilarious He juxtaposes the Biblical Christ with His blonde flag draped machine gun toting American incarnation in Jesus vs Jeezus proposes a third political party that represents Americans real values in The Sex Party draws the dead Saddam Hussein as a mischievous invisible imp still causing trouble and envisions the officials of the Bush administration getting their comeuppance in the grisly fashion of Dick Tracy villains And he finds two cartoons worth of Reasons to Look Forward to the Next Terrorist Attack Also included is his infamous entry into Iran s Holocaust cartoon contest Silver Linings of the Holocaust

**Unfair & Unbalanced** Patrick M. Carlisle,2004 Called by readers blazingly funny divinely inspired breathtaking sophisticated original deranged a brilliant intellect wasted and a comedic genius if one could stew Dave Barry Hunter Thompson Al Franken and David Sedaris down into a thick tasty ragout which might then be served over noodles that might begin to approximate the unexpectedly hilarious experience of reading Patrick Carlisle In a thoroughly questionable and highly refutable manner with wildly fluctuating amounts of insight and sensitivity Mr Carlisle examines such irrational topics of modern identity as internet dating the fanatic right wing the dark dangerous appeal of Meg Ryan the unfathomable motivations behind the comb over the mysterious banana test first love antidepressants and the heartbreaking challenge of being a Yum Brands Man Pessimistic but full of longing immersed in popular culture but oddly erudite manic and depressive in turn deeply and absurdly tangential profoundly deluded and yet uncomfortably honest liberal but utterly politically incorrect most importantly in the words of one reviewer Patrick Carlisle is so horribly mind bogglingly funny
