The Hidden Bible:

The Hidden Bible John P. Scott, 2013-10 This is a new release of the original 1935 edition **The Hidden Bible** William Leary, 1952 **The Hidden Bible** Michael Wood, 2010-10 The identity of 666 was buried for almost two thousand years until now The Hidden Bible documents the recent archaeological findings which finally led to the exact identity of 666 **The Hidden Mystery of the Bible** Jack Ensign Addington, 1969-06-01 The Bible is the most important book ever published It has had more influence on history and affected more lives than any other book It divides nations and unites cultures Some people read the Bible for its literal meaning while others read it for the implied meaning To this day it continues to shape the heart soul and minds of individuals generations and societies worldwide How can this controversial and profound book be the answer to the problems of the world The first step is to look at how we perceive the Bible is it a history book or guide book For centuries people have viewed the Bible as a bridge to the past describing how humanity lived survived and died while in truth it is actually shining the Light of Truth onto our present day living to help us meet our personal and social problems New Thought writer Jack Ensign Addington believes that once you discover the hidden meaning of the Bible an infinite source of wisdom will be illuminated and revealed **The Hidden Bible** John Paul Scott, 1990-05 1935 A Laborer in the Vineyard 8 booklets combined the Book of Ester with Bible History 1935 48 pages the Book of Job 55 pages Exodus Esoterically Interpreted 1935 24 pages Genesis Esoterically Interpreted 27 pages Guide Posts on the O **The Hidden Bible** John Pinckney Scott, 1935 **Hidden in Plain Sight** Boyd SeEVERS, 2012-04 In a friendly accessible way a Bible professor shows how you can learn and grow from the often ignored and overlooked parts of the Bible **The Hidden Book in the Bible** Richard Elliott Friedman, 1998-09-22 Renowned biblical sleuth and scholar Richard Elliott Friedman author of Who Wrote the Bible reveals for the first time his most startling and revolutionary discovery embedded within the Bible is a continuous narrative that had been sliced apart by ancient editors who interlaced it with other stories laws and poetry It is a singular work of genius the core of the Bible Across three millennia this great work of prose comes back to us pieced together as it was originally meant to be read in a fresh and powerful translation In recent years Harold Bloom s The Book of J and Friedman s own Who Wrote the Bible have made the short work called J known to the public But in The Hidden Book in the Bible Friedman presents his landmark discovery that J is not a work It is the beginning section of a work a long exquisitely connected prose composition full of artistry and power Using a creative blend of scholarship and detective work Friedman has joined together this story from the dawn of written history and what emerges is astonishing Far from a primitive first attempt at writing it is an exciting and complex saga a passionate work of love deception war and redemption Readers will experience the story that has not been read as a single continuous narrative for almost three millennia Friedman begins by leading the readers through the exciting story of his discovery of this hidden work He marshals the evidence showing how a unique use of language and themes from the two cases of the famous coat of many colors to all nine

references to Sheol the place of the dead and from incidents of sibling rivalry to sexual violation recur in a connected way in certain parts of the Bible but nowhere else Friedman dramatically illustrates how these clues establish a singular author's voice guiding more of the Bible than was ever previously suspected Friedman presents the work itself in a bold translation that is remarkable faithful to the original It begins with a well known tale of the deity's creation of a paradise that goes wrong and then conveys a sweep of history telling the story of a family through twelve generations a story of deception and recompense of powerful loves and sibling rivalries of wars and spies The family becomes a nation the nation finds a ruling family and they find their way to peace The author of this saga crafts a compelling and densely woven tale of family struggles bitter betrayal and finally the birth of a great kingdom under Solomon the son of David This work says Friedman is a treasure It became the core of the Bible and the beginning of prose literature Readers now have the opportunity to see the first great prose writer's full achievement an epic work of the struggle between God and human and between good and bad The Hidden Book in the Bible will forever change the way we regard the Bible Exciting provocative ambitious yet reverent says Donald Spoto Friedman's latest book is as usual grounded in impeccable scholarship **The Secret Astrology of the Bible**

Michael Ledo, 2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible *Hidden Bible* William Leary, 1955-01-01 **The Bible's Amazing Hidden 2%**

William L. Wagner, 2021-04-12 My background is that I am a licensed civil engineer a pastor a professor of theology a university president and a missionary As a young theology student reading the Bible I found many verses of Scripture that I could not fully understand In going to commentaries and speaking with professors I did not receive the answers that I was looking for This book is an attempt to look at many of the problem areas of the Scriptures and to find the reasons why they appear in the Bible I found that only about 2 percent of the Bible begins to open the door to the real meanings of heaven hell eternity angels demons etc This 2 percent is important for us to correctly realize that God does not expect us to understand more than what He has given in His Word Our Heavenly Father has revealed to us what we need to know while here on earth The Bible begins with creation and ends with the final judgment Above us is heaven and below us is hell This book gives a diagram which shows us the area of interest in his revealed Word What exists outside of this area of revelation is unknown to us because God decided not to reveal all to us Much of my ministry has been working with university students in many

countries They often look at these problem scriptures and need good answers but seldom get them such as the whole concept of creation Realizing that the Bible is not a book of science but a book that shows us how to live I feel that there is a good explanation that students can and will accept I am convinced that it will never be possible for us to fully understand all of God's Word but in looking at these problem verses and understanding why they have been given we come to the conclusion that much of the Bible will never be truly understood while we live here on earth However many of these verses open the door to even a greater understanding and that is for us to know how truly great our God is

The Hidden Power of the Bible Ernest Holmes, 2006-08-03 The inspiration of Ernest Holmes has reached hundreds of thousands of readers through his classic works many of which are just now becoming available in paperback Originally published in 1929 as *The Bible in Light of Religious Science* this exegesis on the hidden lessons of some of Scripture's best known verses has been largely unavailable and even unknown since the 1940s Indeed this edition comes as a brand new work to the many readers of Ernest Holmes It is fully reset and redesigned published for the first time with an index and includes a new preface to frame the book for the contemporary reader

Hidden Bible Taboos Forbidden By Organized Christianity James Slobodzien, 2014-05-01 Have you ever wondered about the Mysteries of God's wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11:52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9:1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7's For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in the universe's numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible's book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11:2 The Apostle John mentions the 7 Stars of God the Son Rev 1:20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12:6-8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4:10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God's Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D

biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses Dedication This book is dedicated to Peter Waldo Founder of the Waldensians and the 50 million other Christians who were persecuted and slaughtered by the Organized Religion of Christianity Papacy in the middle ages and later Spiritual Religious Reading Material Warning The contents of this article anthology may shock and inspire you into developing your spiritual life Don t let yourself or your friends go without reading this life changing book **The Hidden Creator** Hilton Hotema,1996-09 1961 the world wants to know who what and where is the Creator Ages of searching by great men have failed to find Him If there is a Creator it should be possible to locate Him If there is none then there is no answer to the question What Powe

Breaking the seals; or, The key to the hidden mystery. An oration delivered ... August 20, 1875, etc Victoria Claflin WOODHULL (afterwards MARTIN (Victoria Claflin Woodhull)),1875 **The Hidden Wisdom in the Holy Bible: The golden grain of wisdom in the Book of Genesis (Genesis- chapters twenty-five to fifty)** Geoffrey Hodson,1970

Hidden Bible John P. Scott,1999-10 1935 Scott a National Rosicrucian Lecturer writes that the Bible is a spiritual book and must be read with the heart as well as with the mind With that perspective in this text he delivers esoteric interpretations of the Books of Genesis Exodus and Ruth Also included is the Book of Esther with Bible History The Book of Job and The Revelation of St John the Divine There are two other booklets in this volume The first is Guide Posts on the Occult Path which is a collection of sayings The second is Occult Interpretations The Esoteric Interpretation of Selected Verses from the Rubaiyat of Omar Khayyam Self Mastery The Mystery of Mt Shasta and The Story of Rasputin The Hidden Bible D. V. Kushnir,2015-06-23 The Bible is a Pandora s Box It is spoken of with kindness and goodness but no one can really know what is inside of it until it is open The Hidden Bible Series is a journey of one believer into the bible one book at a time beginning with this book The Book of Genesis Journey together with the author into the bible and discover new and

unimaginable things which are not spoken of by the church **The Secret Code of the King James Bible** Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me The Hidden Book in the Bible Richard Elliott Friedman,2009-06-23 Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world a 3000 year old epic hidden within the books of the Hebrew Bible Written by a single masterful author but obscured by ancient editors and lost for millennia this brilliant epic of love deception war and redemption is a compelling account of humankind s complex relationship with God Friedman boldly restores this prose masterpiece the very heart of the Bible to the extraordinary form in which it was originally written
