Wilcox, 2019-01-16 Mother Teresa said to have courage for whatever comes in life everything lies in that When people think about courage they often think about those who put their lives on the line for us every day like first responders firefighters or police officers But there are so many others who quietly endure with steadfast courage whatever comes their way in life These people are like the anawhim in the Old Testament the good kind people whom very few know about but who trust in the Lord He is their strength It is because of their faith in him that they live their lives with courage to face whatever comes their way In over thirty years as a psychotherapist and spiritual director Wilcox has often been amazed at the strength and courage of so many of his clients Some have faced physical disabilities others struggle with mental emotional or psychological problems still others with personal family or career issues These people are what he calls the hidden faces of courage Often they are not well known They certainly receive no notoriety or press Yet they are always there doing the best they can each day This book is an invitation to understand and appreciate the unnoticed courage and strength of ordinary people If we can walk in their shoes it will help us to be courageous for whatever comes to us in life **The Hidden Face of Laura** Elaine Mims, 2009-11 The Hidden Face of Laura is a true story that tells about the life of a woman who suffered abuse and rejection throughout her life She became quiet and withdrawn and even attempted suicide She married at the age of eighteen with the hopes of a better life only to find out she had married an alcoholic Throughout her marriage she was battered and bruised and with no one to turn too she was completely alone She had to overcome many obstacles in order to raise her children Through it all Laura never asked anyone for help however the love she had for her children gave her the courage she needed to break the chains of fear Laura finally stepped forth and took control of her life and just when she began to see a ray of sun she realizes she has major health problems With Laura facing the most trying time of her life her husband ask for a divorce He leaves her with no way to provide for her and the children The Hidden Face of Laura is truly a heart warming story of a woman's struggle to survive **The Hidden Face of Eve** Nawal El Saadawi, Nawāl Sa'dāwī, 2007-06 This powerful account of the oppression of women in the Muslim world remains as shocking today as when it was first published more than a quarter of a century ago Nawal El Saadawi writes out of a powerful sense of

the violence and injustice which permeated her society Her experiences working as a doctor in villages around Egypt witnessing prostitution honour killings and sexual abuse including female circumcision drove her to give voice to this suffering She goes on to explore the causes of the situation through a discussion of the historical role of Arab women in religion and literature Saadawi argues that the veil polygamy and legal inequality are incompatible with the essence of Islam or any human faith This edition complete with a new foreword lays claim to *The Hidden Face of Eve* s status as a classic of modern Arab writing
