The Christian Single Woman's Guide To Being A Player God's Way:

The Christian Single Woman's Guide to Being a Player God's Way Janice D. Robinson, 2005-04 Written in a warm playful and humorous style *The Christian Single Woman's Guide to Being a Player God's Way* shows Christian women how they can have a social life filled with fun activities with the opposite sex without getting caught up in game playing or putting a man before their relationship with the Lord According to Robinson one of the most challenging issues that single Christians face is how to develop loving relationships with the opposite sex and still uphold the Lord's standard for love and purity When we devote our lives to living according to the standards of Jesus we give up our worldly standards for dating and our attitudes about the opposite sex and we take on Jesus standards for dating and attitudes about the opposite sex A complete paradigm shift must take place We have to be taught mentored and groomed to assume these roles within this new paradigm As a single Christian woman for over 20 years author Robinson says *The Christian Single Woman's Guide to Being a Player God's Way* will get you where you and God really want you to be Single sassy satisfied and having a lot of fun *The Nonreligious Guide to Dating and Being Single* , *The Single Mom's Workplace Survival Guide* Brenda Armstrong, 2002 Every Mom is a Working Mom But never before have circumstances forced so many moms to raise their children single handedly which usually includes holding down a paying job in addition to taking care of the home and kids Book jacket *An Inquirer's Guide to Christian Believing* Gunnar Urang, 2005-01-17 Living by a biblical faith requires of us a yes a yes to the God continuously present to us within the life opportunities continuously offered us Questions of belief in contrast require a yes and no Genuine faith declares Brother David Steindl Rast holds its beliefs firmly yes but ever so lightly And the I don't mean maybe This has to do with the intensity in our questioning Our ultimate concern after all is living a relationship in which we know ourselves not just as those who ask questions but as those who are the question and seek to know God not just as the one who gives answers but the one who is the answer This book consists of a series of questions about basic Christian beliefs the answers to which have been and continue to be controversial Each chapter will try to make clear why the answer to its particular question has to be a yes and no and how the response can also include nevertheless an emphatic And I don't mean maybe For those with some knowledge of Christianity but finding themselves confused about certain beliefs they have been led to identify as Christian this book can provide a greater clarity in their understanding of this familiar yet strange religion thus addressing perhaps what pollster George Gallup Jr identifies as the knowledge gap in the religious experience of Americans the often vast difference between Americans stated faith and their lack of the most basic knowledge about that faith Non Christians may find here a useful survey of Christian belief presented in nontechnical style and noncoercive rhetoric *Let's Get Growing, Christians! A Practical Guide to Creating a Lifestyle of Doing God's Will* Jennifer Harley Chalmers and Willard F. Harley, Jr., 2003-08-06 When we become Christians we consciously repent of our bad habits a promise to make a 180 turn from habits that displease God toward habits that please Him We do this through and by faith

alone Yet faith alone does not suddenly make good our promise It is our faith that gives us the reason to act upon our promise but our action is still needed So how do we put action into our plan How do we rid ourselves of these bad habits and substitute habits that are in God's will This book will help you do just that create a lifestyle of doing God's will You will learn how to Develop a lifestyle of greater respect for God Love God with all of your being Learn to love and care for others Witness in a way that takes your personality and abilities into account Develop a lifestyle where Bible study is a throughout the day activity And that's why this book is called LET'S GET GROWING CHRISTIANS It's about practically applying plans of action to get you growing as a Christian living a life of doing God's will
