The Christian Year

Walker Gwynne,2015-09-27 Excerpt from The Christian Year Its Purpose and Its History The lack and the need of a popular manual on the Christian Year were forced on the attention of the writer when he undertook to teach a class in the Newark Diocesan Training School for Teachers His aim in the present volume is to provide such a book as an intelligent teacher would desire giving not merely the bare facts concerning the different festivals and fasts but also some account of the practical and devotional reasons which the whole Catholic Church has had from the beginning for adopting the system of her Christian Year and Calendar So far as defence or apologia is concerned Hooker with his lofty philosophical treatment of the subject is of course unexcelled But Hooker is not accessible to the average student and his somewhat antiquated style in spite of its nobility and charm is not likely to attract the ordinary reader of to day There are only a few monographs in English on the Christian Year intended chiefly for candidates for Holy Orders of which the latest and most useful are The Church Year and the Calendar by the late Bishop Dowden of Edinburgh and The Liturgical Year by the Rev Vernon Staley Of the latter there is an abridgment entitled The Seasons etc of the Christian Year About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
