The Christians Guide To Effective Personal Management:

The Christian's Guide to Effective Personal Management, Second Edition Kenneth W. Oosting, 2009-09-01 Each of us as Christians has a challenge in how to effectively manage our own lives both personally and professionally We must address a number of issues about ourselves our faith our personal value system the implications of our being Christians our talents our spiritual gifts our formal education our abilities Building upon this exploration we need to set goals and priorities within those goals Then we must set strategies for implementing these prioritized goals toward effective personal management

The Christian's Guide to Effective Personal Management Kenneth W. Oosting, 1997-01-01 **God-controlled Thinking (eBook)** Stephan Joubert, 2005-03-24 Spiritual dreams and goals are often shattered by personal failures and shortcomings Obedience to God's way often seems to be in vain as old patterns of behavior dominate lifestyles All because while hearts are renewed minds very often don't follow suit In this practical and interesting book readers will discover how to let God guide and direct their thoughts Stephan Joubert presents a biblical view of how the mind works and what it really means to let God renew the mind Readers will find that the key to following in the footsteps of the great heroes of the Bible lies in thinking God's way God has not kept the secret to a renewed life hidden It's all in the Bible Readers will find that the way to spiritual maturity is through learning to give their thoughts to God and to adjust their way of thinking to correspond with His view of life GOD CONTROLLED THINKING will help readers to experience new dimensions of spiritual living through surrendering their minds to God It is possible to live an abundant and victorious life Australian national bibliography , 1961

ThirdWay , 1982-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians **Christian Companion** , 1906
