The Chronological Life Of Christ:

The Chronological Life of Christ Mark E. Moore, 2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he s no politician but he still transforms nations He s no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God s Word Book jacket

Chronological Aspects of the Life of Christ Harold W. Hoehner, 2010-08-10 Jesus Christ entered into the history of our world Christianity therefore has historical basis The backbone of history is chronology Whereas history is a systematic account of events in relation to a nation institution science or art chronology is a science of time It seeks to establish and arrange the dates of past events in their proper sequence Thus chronology serves as a necessary framework upon which the events of history must be fitted In this book the author attempts to establish certain fixed dates in our Lord s life Dr Harold W Hoehner Dr Hoehner has gathered a vast amount of data both from Scripture and extrabiblical sources to support his conclusions concerning key dates in the life of our Lord among them The Date of Christ s Birth The Commencement of Christ s Ministry The Duration of Christ s Ministry The Year of Christ s Crucifixion He carefully documents his position and compares the date available including a study of Greek words Roman law and Jewish customs and prophecy *The Chronology of the Life of Jesus Christ* Gord BOISVERT, 2021-02-24 NOTE This book is in RED letter format The Words of Jesus in RED lettering This is the story of the life of our Lord Jesus Christ the Messiah as recorded in the Holy Bible This work is comprised of the events recorded in the Gospels of Matthew Mark Luke and John There are a few subsequent entries from the Book of Acts and 1Corinthians which complete the full picture The uniqueness of this book is the chronological mixing and blending of the four Gospels into a format resembling a story The subject matter within this book is divided into

fifteen parts each part containing one or more sections All words contained within the subject sections of this book come from the Holy Bible except for a very few words that are indicated by the brackets which have been added to obtain clarity and flow of the material This book is by no means intended to be a substitute for the Holy Bible and specifically the four Gospels of Matthew Mark Luke and John Each of these Gospels along with every other book of the Bible have been divinely inspired by the Lord God Himself The intended purpose of this book is first and foremost to honor God and His Son our Saviour Jesus Christ The secondary purpose is to provide a possible reference for further Bible study that reveals the events pertaining to the life of Christ in a complete chronological order Placing the Scripture in this blended format gives the reader a more complete perspective of where the events occurred and how these events surrounding the life of Christ unfolded
