The Church In Mission:

The Church on Mission Craig Ott, 2019-05-21 In this scripturally rich exploration senior missiologist Craig Ott unpacks the mission statement of the church to glorify God by multiplying transformational churches among all people This concise yet robust biblical theological treatment focuses on God s glory a strong ecclesiology the importance of Scripture and practical implications for congregational and mission practice Ideal for launching discussion and reflection the book helps readers refocus their vision and reignite their commitment to fulfilling God s purposes for their church or mission **What Is the Mission of the Church?** Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today there s a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others But in our zeal to get sharing and serving many are unclear on gospel and mission Yes we are called to spend ourselves for the sake of others but what is the church s unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible s teaching on evangelism social justice and shalom they explore the what why and how of the church s mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God s rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus call to preach the Word and make disciples The Church in Mission William J. Martin, 1986 Missional Church Daniel L. Guder, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America s secular culture and the church s loss of dominance in today s society They then present a biblically based theology that takes seriously the church s missional vocation and draw out the consequences of this theology for the structure and institutions of the church **The Church in Mission** Bertil Ekström, 2016-06-01 Foundations and Global Case Studies What does it mean today to be a church totally committed to the gospel and fully engaged in God s mission What major religious and sociological trends in our world are affecting the role of the global church and local churches How must we understand and be prepared to face these trends How do we define church in the twenty first century being faithful to the Scriptures and at the same time relevant to a generation that does not believe in the institutional church anymore What are some good models of missional churches in different regions of the world that will encourage and inspire those who long to see a church making difference in society and in the world These are

some of the issues that the book you are holding in your hands addresses There are certainly no final answers and magical forms rather we present a broad and deep discussion on how the gospel should be lived out by Jesus followers in our time and through our communities Questions are raised and analyzed both from the perspective of a local church as well as from a global and general understanding of the Christian church Some of our examples will focus more on local realities others more on global challenges The first part of the book is dedicated to a biblical and theological reflection on gospel church and mission It includes Old and New Testament studies on the theological implications of being church based on the biblical narrative The second part deals with a variety of contemporary missiological issues related to the broader theme of church and mission Different perspectives from current discussions and dialogues around the globe are included covering both ideological reflections and practical aspects of being a mission shaped church The third part presents regional and national case studies that show the enormous creativity in church planting and engagement of local communities in their own societies Models applied in the secularized Europe are contrasted to ways of functioning as church in fast growing congregations in the global South

Understanding Christian Mission Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations

Seven Practices for the Church on Mission David E. Fitch, 2018-03-06 Jesus gave his followers seven key practices When we practice these disciplines God becomes faithfully present to us and we in turn become God's faithful presence to the world Pastor and professor David Fitch shows how these seven practices can revolutionize the church's presence in our neighborhoods transform our way of life in the world and advance the kingdom

Church/mision Tensions Today C. Peter Wagner, 1972 Green Lake 1971 marked a milestone in the progress of church mission relations The statement and the issue are important for the church for missions and for the evangelical Christian world today as a whole Over 400 leaders of the Evangelical Foreign Missions Association and the Interdenominational Foreign Mission Association met at Green Lake Wisconsin for a week long conference on the issues between the church and missions as the Christian world faces the 1970s One of the results of the conference was a realization that little writing has been done on the subject by the Evangelicals This book will be key reading material for every pastor missionary theological

student and missions minded laymen who is concerned with the missionary task of the church in this last third of the twentieth century It contains the most valuable up to date information available on the subject today The writers discuss vital aspects of church mission tension Is the Church Really Necessary The Foreign Missionary A Vanishing Breed Closing Gaps Between Missions and Home Churches Planting Younger Missions Mission and Church in Four Worlds and other chapters that grapple with the problems facing evangelical missions today **The Heart of Church and Mission** Bryan

Knell,2015-08-06 This book brings together a passion for the church and a passion for global mission It looks at the heart of the UK church asking whether and how it beats for mission and explores the passion of the mission community and asks how it involves the local church You might be forgiven for expecting that the heart of church and the heart of mission would be interwoven and closely linked together but that has not been the case Two significant historical events continue to shape the church and mission in the Western World Christendom removed mission from the church and the launch of the missionary societies disengaged the local church from mission Although there is plenty of talk of change the dominant mind set is still shaped by these events Practical suggestions are directed at churches and agencies with the aim of re establishing Mission at the heart of the church and the church at the heart of mission The world is a different place to when the modern Western mission movement developed Yet many of the same structures exist today in both churches and mission agencies The church in the West needs to engage in new and appropriate ways in the world building on history but not being bound by it Bryan s prophetic call is to new ways of thinking new attitudes and clear Biblical principles and deserves a wide audience The Global Church deserves no less than a fresh approach to obeying His command to join together in God s mission in His world Martin Lee Executive Director Global Connections UK Bryan Knell has been involved with mission for over 40 years Firstly in the International Student world with UCCF and then following some theological study Bryan was the UK Director of Arab World Ministries for 16 years and the Founding Coordinator of CRIB Christian Responses to Islam in Britain for 15 years More recently he has worked for Global Connections as the Church Relations Director and is still involved in ministry to Muslims in the UK **Introducing Christian Mission Today** Michael W. Goheen,2014-07-14 Michael Goheen gives us a full scale

introduction to mission studies today in its biblical theological and historical dimensions Goheen covers the full horizon of major issues in mission including its global urban and holistic contexts This text shows how the missional church encounters the pluralism of Western culture and global religions
