The Churchill Diamonds

Ronald Winston, William Stadiem

The Churchill Diamonds:

The Churchill Diamonds Bob Langley,1987 Churchill Diamonds Bob Langley,1988-07-01 In 1898 in the Sudan Lieutenant Coffey of the Tenth Westmoreland Lancers undertakes a perilous mission into a Dervish stronghold to rescue a British missionary his lovely daughter and a fortune in uncut diamonds *Churchill Diamonds* Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1990-04-01 The Black Diamond ,1901 **King of Diamonds** Ronald Winston,William Stadiem,2023-09-19 This authoritative and intimate biography written by his only living son Ronald Winston marries the Gilded Age glamour and romance of Edith Wharton with the ruthless family dynamics of HBO's hit series *Succession*. Few American success stories rival that of Harry Winston. Born Harry Weinstein, he came from humble roots; his parents were poor Jewish immigrants who left Ukraine around 1890 for New York where they settled and started a small jewelry business. His genius for spotting priceless gems emerged young. When Harry was twelve years old, he recognized a two-carat emerald in a pawn shop and bought it for 25 cents, selling it two days later for 800, a massive sum in the early 1900s. From that moment on, Harry became obsessed with gems, especially diamonds. A compact, unassuming man with no formal education but unlimited drive and ambition, Harry Weinstein transformed himself into Harry Winston, the enigmatic figure who created the world's most prestigious luxury brand. Harry Winston built his empire while the Depression raged. World War II reshaped the world, and America entered its post-war period of prosperity. In this riveting biography, readers get a bird's-eye view of the dangers of the diamond trade and the lengths men would go to get their hands on the best of the rough. There's also a glimpse into the lives of the rich and famous who clamored for Winston's gems. Although he traveled the world doing business with kings, queens, and movie stars, Winston remained a devoted family man whose chief wish was that his sons carry on the legacy he had built. Harry's older son, Ronald Winston, worked alongside his father for decades. After Harry's death, Ron grew the company into the international brand that is still revered today. He ran it expertly until he was forced to sell the company due to his younger brother's maligning litigation. This is the story of a family business that survived and thrived for more than a century until it was undone by one bitter family member. **KING OF DIAMONDS** is at once a portrait of American ingenuity at its best and the story of sibling rivalry that is Shakespearean in its tragedy. The Book of Diamonds Joan Y. Dickinson,2012-08-02 Perhaps the most prized of all gems, diamonds have a long and fascinating history. In this engrossing, profusely illustrated volume, that history is covered in detail, from early discoveries in the Golconda mines of India, probably the site of the first diamonds ever unearthed, and digs in Brazil to the South African diamond rush and development of major mining companies. Over 200 illustrations include step-by-step photos showing how these valuable stones are mined and the intricacies of cutting and faceting, while reproductions of museum paintings and photographs depict famous individual diamonds as well as outstanding rings, bracelets, brooches, pins, earrings, watches, tiaras, and other traditional and modern diamond pieces. Here also are stories of the most famous and infamous diamonds: the Koh-i-Noor in

the Tower of London the Hope in the Smithsonian Institution the Regent in the Louvre the Orloff in the Kremlin and many other celebrated jewels More than a dramatically told story of diamonds this volume will also serve as a practical guide for anyone who owns a diamond or plans to buy one It explains and illustrates different diamond cuts the role of carats and how to buy diamonds for sentiment beauty show flawlessness or investment Anyone who has ever been captivated by the matchless brilliance of these rare gems will find this book an informative highly readable addition to their personal library

Diamonds, Gold, and War Martin Meredith, 2008-09-01 Furnishes a vivid history of the tumultuous period leading up to the 1910 founding of the modern state of South Africa exploring how the discovery of vast diamond and gold deposits led to a fierce struggle between the British and the Boers for control of the region as well as the repercussions of the conflict in terms of both sides as well as for Africa's native peoples

Blood and Diamonds Steven Press, 2021-04-06 Diamonds have long been bloody A new history shows how Germany's ruthless African empire brought diamond rings to retail display cases in America at the cost of African lives Since the late 1990s activists have campaigned to remove conflict diamonds from jewelry shops and department stores But if the problem of conflict diamonds gems extracted from war zones has only recently generated attention it is not a new one Nor are conflict diamonds an exception in an otherwise honest industry The modern diamond business Steven Press shows owes its origins to imperial wars and has never escaped its legacy of exploitation In *Blood and Diamonds* Press traces the interaction of the mass market diamond and German colonial domination in Africa Starting in the 1880s Germans hunted for diamonds in Southwest Africa In the decades that followed Germans waged brutal wars to control the territory culminating in the genocide of the Herero and Nama peoples and the unearthing of vast mineral riches Press follows the trail of the diamonds from the sands of the Namib Desert to government ministries and corporate boardrooms in Berlin and London and on to the retail counters of New York and Chicago As Africans working in terrifying conditions extracted unprecedented supplies of diamonds European cartels maintained the illusion that the stones were scarce propelling the nascent US market for diamond engagement rings Convinced by advertisers that diamonds were both valuable and romantically significant American purchasers unwittingly funded German imperial ambitions into the era of the world wars Amid today's global frenzy of mass consumption Press's history offers an unsettling reminder that cheap luxury often depends on an alliance between corporate power and state violence

Fevers, Feuds, and Diamonds Paul Farmer, 2020-11-17 Paul Farmer brings his considerable intellect empathy and expertise to bear in this powerful and deeply researched account of the Ebola outbreak that struck West Africa in 2014 It is hard to imagine a more timely or important book Bill and Melinda Gates The history is as powerfully conveyed as it is tragic Illuminating Invaluable Steven Johnson The New York Times Book Review In 2014 Sierra Leone Liberia and Guinea suffered the worst epidemic of Ebola in history The brutal virus spread rapidly through a clinical desert where basic health care facilities were few and far between Causing severe loss of life and economic disruption the Ebola crisis was a major tragedy of modern medicine But

why did it happen and what can we learn from it Paul Farmer the internationally renowned doctor and anthropologist experienced the Ebola outbreak firsthand Partners in Health the organization he founded was among the international responders In Fevers Feuds and Diamonds he offers the first substantive account of this frightening fast moving episode and its implications In vibrant prose Farmer tells the harrowing stories of Ebola victims while showing why the medical response was slow and insufficient Rebutting misleading claims about the origins of Ebola and why it spread so rapidly he traces West Africa s chronic health failures back to centuries of exploitation and injustice Under formal colonial rule disease containment was a priority but care was not and the region s health care woes worsened with devastating consequences that Farmer traces up to the present This thorough and hopeful narrative is a definitive work of reportage history and advocacy and a crucial intervention in public health discussions around the world **Lazarus Sourcebook Collection Vol. 1** Greg Rucka, Neal Bailey, David Brothers, Robert Mackenzie, Gareth-Michael Skarka, 2018-04-25 Collecting the first three LAZARUS SOURCEBOOKS covering the lands ruled by Carlyle Hock and Vassalovka now in one volume With revised and expanded content including additions to reflect developments in LAZARUS as the series moves into the year X 67 with FRACTURE beginning summer of 2018

The Top Books of the Year The Churchill Diamonds The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Churchill Diamonds : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
