

The Cid

Paul Blackburn, George Economou

The Cid:

The Poem of the Cid ,2019-09-24 One of the greatest works of Spanish literature this eight hundred year old epic details the legendary exploits of the soldier adventurer Ruy Diaz of Bivar El Cid and of his part in the long struggle between Christianity and Islam The epic poem recounts the adventures of the Cid of his peerless steed Babieca and of his two famous swords Colada and Tizona of his wife Doña Ximena and his two daughters Doña Elvira and Doña Sol who found sanctuary with Abbot Don Sancho in the monastery of San Pedro de Cardena during the Cid's exile and of the despicable and black hearted princes of Carrión Diego and Fernando González It is a powerful epic that sings of universal human values and failures of loyalty and betrayal

Poem of the Cid Paul Blackburn, George Economou, 1998 Few works have shaped a national literature as thoroughly as the Poem of the Cid has shaped the Spanish literary tradition Tracing the life of the eleventh century military commander Rodrigo Díaz de Vivar called El Cid from the Arabic Sayyidi My Lord this medieval epic describes a series of events surrounding his exile The text of the poem survives in only one early thirteenth century manuscript copied by a single scribe yet centuries later the figure of the Cid still was celebrated in the Spanish popular ballad tradition Today almost every theme that characterizes Spanish literature honor justice loyalty treachery and jealousy derives from the Poem of the Cid Restored by poet and medievalist George Economou this elegant and spirited translation by Paul Blackburn is judged by many the finest English translation of a great medieval poem

The Song of the Cid ,2009-03-31 From a legendary translator a magnificent new rendering of Spain's national epic Venture into the heart of Islamic Spain in this vibrant rollicking new translation of The Song of the Cid the only surviving epic from medieval Spain Banished from the court of King Alfonso the noble warrior Rodrigo Díaz known as the Cid sets out from Castile to restore his name In a series of battles he earns wealth and honor for his men and his king as well as fame and admiration for himself But it is in rescuing his daughters from their ill suited marriages that the Cid faces the ultimate challenge to the medieval heroic ideal For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Poem of the Cid: Notes, by Archer M. Huntington Archer Milton Huntington, 1908 Based on a true story of the Castilian hero El Cid which takes place during the Reconquista reconquest of Spain from the Moors and tells of El Cid's quest to regain his honor after being exiled through battling the Moorish armies After granted back his honor he seeks justice for his daughters who have been mistreated The end result is the beginning of the unification of Spain

The Story of the Cid Calvin Wilson,J. Kennedy,2014-11-29 The story of Spain s national hero Rodrigo D az de Vivar 1043 1099 who helped liberate his nation from the Muslims is retold in vivid detail in this superb work originally designed for younger readers but easily readable for adults as well It tells the inspiring story of the Castilian nobleman given the name El Cid the Lord by the Moors and El Campeador the Champion by the Europeans and his decades long war against the Islamic invaders of the Iberian Peninsula Caught in the intrigue of the Middle Ages El Cid was forced to wage war against Christian armies as well but his real foe remained the ultimate enemy as is so brilliantly explained in this work His seizure of Valencia in 1094 established El Cid as a ruler in his own right while his final years were spent in fighting the Almoravid Berbers This is the real story of El Cid divorced from the Hollywood myth which serves as an immortal reminder of the price paid by medieval Europeans to resist the Islamic attempt to invade Europe No brutal detail is spared in this sometimes shocking account of the wars waged by El Cid in his quest to liberate his part of Europe In spite of all the myths it is beyond doubt that the real Rodrigo was one of the most wonderful men who has ever lived and that he was the greatest warrior who fought in the long and fierce struggles between the Christians and the Mahometans From the first chapter Completely reset and reformatted Illustrated
