Out on the Rim Ross Thomas, 2025-08-22 Would you be wary if someone gave you the assignment of delivering five million dollars to a Philippine terrorist never mind from whom or why Booth Stallings a terrorism expert just fired from his job at a bashful organization that never admitted its mount in the Washington merry go round is wary So wary that he cuts in con man Otherguy Overby who in turn involves Artie Wu pretender to the throne of China and his partner Quincy Durant Obviously good patriots don t want to hand over all that money to bad guys Better they

keep it for themselves Which inevitably raises the question Who among them will end up with the money **VISTA**
