The Collapse Of Middle East Peace Pb 2003

Danilo Mandić

The Collapse Of Middle East Peace Pb 2003:

The Failure of the Middle East Peace Process? Guy Ben-Porat, 2008-04-10 This volume examines the gap between agreements and actual peace It offers different explanations for the successes and failures of the three processes in South Africa Northern Ireland and Israel Palestine and provides historical and comparative perspectives on the failure of the Middle East peace process

The Israel-Palestine Conflict Neil Caplan, 2011-09-19 The Israel Palestine Conflict Contested Histories provides non specialist readers with an introduction and historical overview of the issues that have characterized and defined 130 years of the still unresolved Israeli Palestinian conflict Provides a fresh attempt to break away from polemical approaches that have undermined academic discussion and political debates Focuses on a series of core arguments that the author considers essentially unwinnable Introduces readers to the major historiographical debates sparked by the dispute Encourages readers to consider more useful ways of explaining and understanding the conflict and to go beyond trying to prove who is right and wrong This volume suggests a fresh and original interpretation to the history of the Arab Israeli conflict Caplan juggles skillfully and even handedly between the two narratives reflecting the parties own views without embracing the cause of any party Joseph Nevo University of Haifa An impressive and very valuable work One could not ask for a better short history of the conflict Caplan offers readers a study that is extremely well informed resolutely fair minded and filled with thoughtful insights Mark Tessler University of Michigan

Global Entrepreneurship Nir Kshetri, 2014-04-16 Selected as an Outstanding Academic Title by Choice Magazine in 2014 Nir Kshetri s *Global Entrepreneurship Environment and Strategy* provides a window into the economic political cultural geographical and technological environments that affect entrepreneurs as they exploit opportunities and create value in economies across the world The book begins with a discussion of the theories concepts indicators and measurements that impact entrepreneurship differently in different regions From there it offers helpful insights into global variations in entrepreneurial ecosystems and finance Kshetri methodically examines entrepreneurship patterns in diverse economies through the lenses of economic system political system culture and religion and geography both by country and continent *Global Entrepreneurship* offers case studies at the end of each chapter illustrating concepts learned as well as three detailed cases in an appendix for broader reflection The book also includes online data resources and international business planning support making it a valuable resource for students in entrepreneurship and international business classes

Gangsters and Other Statesmen Danilo Mandić, 2020-12 How global organized crime shapes the politics of borders in modern conflicts Separatism has been on the rise across the world since the end of the Cold War dividing countries through political strife ethnic conflict and civil war and redrawing the political map *Gangsters and Other Statesmen* examines the role transnational mafias play in the success and failure of separatist movements challenging conventional wisdom about the interrelation of organized crime with peacebuilding nationalism and state making Danilo Mandić conducted fieldwork in the disputed territories of Kosovo and

South Ossetia talking to mobsters separatists and policymakers in war zones and along major smuggling routes In this timely and provocative book he demonstrates how globalized mafias shape the politics of borders in torn states shedding critical light on an autonomous nonstate actor that has been largely sidelined by considerations of geopolitics state centered agency and ethnonationalism Blending extensive archival sleuthing and original ethnographic data with insights from sociology and other disciplines Mandi argues that organized crime can be a fateful determinant of state capacity separatist success and ethnic conflict Putting mafias at the center of global processes of separatism and territorial consolidation *Gangsters and Other Statesmen* raises vital questions and urges reconsideration of a host of separatist cases in West Africa the Middle East and East Europe

Climate Change in the Middle East and North Africa William R. Thompson, Leila Zakhirova, 2021-07-04 Environmental factors in the Middle East and North Africa MENA have played a crucial role in the historical and social development of the region The book delves into a broad set of historical literature from the past 15 000 years that neglected to consider environmental factors to their full effect Beyond the broad historic analysis the chapters derive conclusions for today s debate on whether climate change leads to more social conflict and violence Introducing a theoretical framework focused on adaptive cycling this book probes and refines the role of climate in ancient and modern political economic systems in the MENA region It also underscores just how bad the 21st century environment may become thanks to global warming While the MENA region may not survive the latest onslaught of deteriorating climate there is also some interest in how a region that once led the world in introducing all sorts of innovations thousands of years ago has evolved into a contemporary setting characterized by traditional conservatism poverty and incessant strife Emphasizing regional dynamics the book s central question deals with the role of climate change in the rise and decline of the MENA region The book will be a key resource to students and readers interested in global warming including academics and policymakers
