The Color Of Love:

The Color of Love Elizabeth Hordge-Freeman, 2015-10-30 Winner Section on the Sociology of Emotions Outstanding Recent Contribution Book Award American Sociological Association 2016 Charles Horton Cooley Award for Recent Book Society for the Study of Symbolic Interaction 2017 Best Publication Award Section on Body and Embodiment American Sociological Association ASA 2018 The Color Of Love reveals the power of racial hierarchies to infiltrate our most intimate relationships Delving far deeper than previous sociologists have into the black Brazilian experience Elizabeth Hordge Freeman examines the relationship between racialization and the emotional life of a family Based on interviews and a sixteen month ethnography of ten working class Brazilian families this provocative work sheds light on how families simultaneously resist and reproduce racial hierarchies Examining race and gender Hordge Freeman illustrates the privileges of whiteness by revealing how those with blacker features often experience material and emotional hardships From parental ties to sibling interactions to extended family and romantic relationships the chapters chart new territory by revealing the connection between proximity to whiteness and the distribution of affection within families Hordge Freeman also explores how black Brazilian families particularly mothers rely on diverse strategies that reproduce negotiate and resist racism She frames efforts to modify racial features as sometimes reflecting internalized racism and at other times as responding to material and emotional considerations Contextualizing their strategies within broader narratives of the African diaspora she examines how Salvador s inhabitants perceive the history of the slave trade itself in a city that is referred to as the blackest in Brazil She argues that racial hierarchies may orchestrate family relationships in ways that reflect and reproduce racial inequality but black Brazilian families actively negotiate these hierarchies to assert their citizenship and humanity *What's the Color of Love!* Tuija I Finnälä, 2023-05-04 What s The Color of Love A book that is about when a child s subconscious creates many of the false beliefs that a child between the ages of 0 and 7 carry with them into adulthood Life without blinders and just simple truths about how as an adult you can understand how subconscious feelings are created within a child A book that helps other people who want to grow and create the best life for themselves here on earth A book writing to help people help themselves *The Colour of Love* Anne Hemingway, 2004 The Colour of Love is a wonderful and delightful story It is more than just the coming together of our two young lovers Yosef and Lisa but the coming together of an entire Multicultural community Yosef and Lisa are the two catalysts that Bridge the Gap and show their families friends and neighbors the true meaning of real love From its graphic beginning to its climatic ending The Colour of Love will cause the reader to look carefully into the deepness of their own soul to perhaps see if there are any underlying prejudices that are still unresolved Prayerfully this story will help the reader to resolve these issues and see healing as the end result The Colour of Love with its mixture of Afro American and Jewish culture combined with its wonderful blend of humor and sensuality intrigue and mystery And the supernatural All interwoven to weave a tapestry of Love Hope and Faith Let its pages take you on a journey

of all of the above The Colour of Love will cause your faith to soar from one level of faith to the next See the workings of God as He works miracle after miracle see Yosef and Lisa bring an entire community together See and feel the heat the passion of their love The Colour of Love is more than just a story its an EXPERIENCE So get ready to fall in love in a new way as you savor the pages of The Colour of Love THE AUTHOR from the INTRODUCTION The Colour of Love is a very powerful and necessary book dealing with the healing of Racism Throughout the story I recommend that everyone should read every single word of this book It will challenge your beliefs and change your life It has already blessed me both spiritually and mentally in ways that I cannot find words for I felt a most tremendous joy release as I finished reading every page of it I know from personal experience the awesome relationship that Anne has with God and it has brought me closer to Him as well This book helped me and it will surely help you too All other readers already have complimented Anne on how her Novel has helped them to re examine themselves and has brought healing to many Please make note of that one point that says True love sees no colour No colour at all God sees me the same as he sees you or any other person Notice her opening Scripture from I Samuel 16 7 That should be more than enough to cause us to realize that Love is not of the skin but of the heart He looks at the heart of a person and not their outer appearance One Chapter that touched my heart so deeply is when Lisa who is Anne mind you prayed for Yosef s father Rabbi Epstein in the hospital And the results were miraculous I just want to say in closing that I commend Anne on her labor of Love for God and allowing Him to use her to write such a very much needed story Anne may God continue to bless you in all that you do for Him and His Kingdome God bless you richly dear Your sister in Christ
