The TurnKey Investor's Essential Lease-Option Lessons Matthew S. Chan, 2006-02 IMAGINE TAKING AN INSIDE LOOK AT THE EVENTS OF A REAL LIFE INVESTMENT PORTFOLIO In 2004 TurnKey Investing with Lease Options became the first book in the U S to exclusively focus on describing and explaining the real world inner workings of managing and marketing a portfolio of investment properties with Lease Options Unlike most other books this book described in detail how to consistently generate high returns from investment property through monthly cash flow with little or no appreciation In this revealing eye opening follow up and companion to TurnKey Investing with Lease Options the Author frankly shares his experiences both successes and setbacks by providing actual stories and case studies from his investment portfolio This one of a kind manual will show you the real life successes and setbacks of growing and managing a portfolio of investment property WHAT MOST INVESTORS WILL NEVER REVEAL AND SHARE WITH YOU You will learn What real investment properties look like and what the financial numbers are What really happens behind the scenes with real life Lease Option tenants and properties Unique strategies for marketing and managing Lease Option properties How to take a creative approach to solving tenant and property challenges How occasional setbacks benefit you and make you into a seasoned investor The hidden benefits and challenges of Lease Options most people never discuss The TurnKey Investor's Essential Lease Option Lessons is a real estate investment book like no other It goes against what textbook real estate practitioners teach and is sure to upset the establishment This book is only for independent minded investors who want to take control of their investments not for the blind followers of razzle dazzle techniques and speculation so commonly sought today
