The Comeback:

The Comeback Cheryl Casone, 2016 Myth My kids will suffer if I work full time Reality Your kids will be fine In fact the example you set by going back to work may leave them better off Myth No company will want me since I don't have the skills I used to have Reality Don't sell yourself short You have unique skills and experiences that every company needs What you don't have you can learn Myth Getting back to work is impossible Reality Millions of women have made the comeback You can too Karyn never intended to work full time again after leaving to raise her two children But seven years later when a divorce seemed imminent she went job hunting only to find that getting back was as daunting as climbing Mt Everest With no resume no current contacts and no transferable skills for the jobs she was applying to Karyn didn't even know where to start Countless women face situations like this every day with little or no guidance They're told to lean in and lobby for more sympathetic workplaces but none of that solves the immediate practical problem I need a job Now Fortunately career expert and Fox Business anchor Cheryl Casone has written a comprehensive guide to making the comeback After interviewing hundreds of women who are willing to share both their successes and their mistakes Casone offers a one stop shop for moms at every stage of the process This is the perfect book if you're Pregnant and wondering how to take an extended maternity leave without losing your contacts and momentum Trying to stay connected and relevant in your field while you're away Planning the timing of your comeback Thinking about what to say in interviews about the gaps in your resume Looking for creative alternatives if your former career just isn't possible anymore Struggling with prejudice against working moms The many real life stories in this book including Karyn's prove that with a smart strategy and some determination almost any mom can make a successful comeback In the process she can improve her standard of living her self esteem and probably also the well being of her kids As Casone writes No matter who you are no matter why change comes into your life I hope this book will help you to do what my mom did to stare that change in the face and say with confidence Bring it *The Comeback* Louie Giglio, 2015-10-20 Have you ever longed for a comeback We all know what it feels like to have life disappoint us and not work out as we'd hoped We all know what it's like to long for something different something better something more The Comeback celebrates new beginnings It offers encouragement and perspective and it's for you if you feel frustrated or confused if you're sorrowing or in pain if you've made mistakes or are grieving if you're disappointed or feel as though life doesn't make sense The good news is that God is in the business of giving fresh starts to people He gives hope to the hopeless Direction to the directionless Help to those who need help God is always good all the time and God's plans will always prevail even when our plans don't God already knows what the solutions are No matter what kind of disappointment or grief or pain or trouble or heartache you encounter God always offers a new beginning a change of heart or a powerful spiritual turnaround God offers the way forward and his pathways are always good Your current circumstances will not get the final say in your life God is the God of the comeback no matter what kind of challenge you're facing And your story can

become a great comeback story too **The Comeback** E. L. Shen, 2021-01-19 E L Shen's *The Comeback* is a heartfelt middle grade debut about a young Chinese American girl trying to be a champ in figure skating and in life. Twelve year old Maxine Chen is just trying to nail that perfect landing on the ice in middle school and at home where her parents worry that competitive skating is too much pressure for a budding tween. Maxine isn't concerned however she's determined to glide to victory. But then a bully at school starts teasing Maxine for her Chinese heritage leaving her stunned and speechless. And at the rink she finds herself up against a stellar new skater named Hollie whose grace and skill threaten to edge Maxine out of the competition. With everything she knows on uneven ice will Maxine crash under the pressure. Or can she power her way to a comeback. Set in Lake Placid New York this is a spunky yet stirring middle grade story that examines racism, female rivalry and friendship and the enduring and universal necessity of love and support.

The Comeback Emma Gilbey Keller, 2010-07-23 It's a tough economy for job seekers and it can be even more nerve racking for women trying to juggle career and family. Women are used to being told that once we get off the career track we can't get back on. In *The Comeback* Emma Gilbey Keller proves that this isn't true. More and more companies today are looking at the value of hiring returning mothers. In this encouraging book Keller tells the stories of seven very different women from a variety of professions who sought to strike a balance between demanding careers and budding families. A new afterword looks at the personal balancing act of First Lady Michelle Obama. All of these women have complicated stories filled with the choices, decisions and trade offs that all mothers face. An absorbing blend of story, insight, advice and inspiration. *The Comeback* offers a positive message to mothers overwhelmed by the ever shifting work versus home debate.

The Comeback Bible Study Guide Louie Giglio, 2015-10-20 Feeling like you've blown it. Reached the point of no return. That your life hasn't gone as planned. If so you are not alone. This six session video study DVD digital video sold separately shows us how God can use our messes and still make a masterpiece. Drawing on his own experiences and pivotal Bible stories Louie Giglio, pastor and author of *Don't Give the Enemy a Seat at Your Table* shows how God is all about comebacks. The Comeback God Michael Cooper-White, The thesis helps the reader understand that the Yahweh of Israel and the God who raised Jesus often appearing throughout history to be down for the count has an amazing come back ability In the current postmodern context where many despair of faith and seem to circle back to the 1960's conclusion that God is dead the book will hold forth a reason to believe and a pathway to probe more deeply in contemporary images and language the age old truth and traditions of faith
