Philosophy, Religion, and the Coming World Civilization L.S. Rouner, 2012-12-06 Gabriel Marcel reminds me that I asked him to write for this book This is quite true but not the whole story During the visit with Ernest Hocking which he describes so eloquently in his essay Solipsism Surmounted he learned from Hocking's hostess Elizabeth Hazard that I was planning hopefully for a Hocking Festschrift On his return to Harvard where he was preparing his James Lectures he wrote me offering an essay should these plans develop Encouraged I kept his letter while I moved my family to India and settled into a new job When it was possible to begin work on the book in earnest I then made my request reminding him of his original offer I mention this because I discovered that his enthusiasm was to be typical of those who came to know about the project Charles Moore commented that such a book was long overdue and Walter Stace spoke for us all when he said I am sure that there is no one in our profession who would not wish to be associated with any project in his honor Given the wide range of Hocking's interests and influence it was difficult to know just how the volume should be organized

The Coming New World Order Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is whose world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man's vision and his world ruling government that has only produced war or God's vision and Christ's world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don't heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming
