Guerrero, 1997-10-13 Emotion is once again at the forefront of research in social psychology and personality The Handbook of Communication and Emotion provides a comprehensive look at the questions and answers of interest in the field How are specific emotions fear jealousy anger love communicated How does the effectiveness or ineffectiveness of this communication affect relationships How is the communication of emotion utilized to deceive or persuade others This important reference work is edited by top researchers in the field of communication and authored by a who s who in emotion and communication Provides a comprehensive look at the role of communication in emotion Includes contributions from top researchers in the field of communications Examines how specific emotions are communicated Includes important new research on the effect of communication on relationships

The Communication of Emotion Ross Buck, 1984 The Communication of Emotional Meaning Joel Robert Davitz, 1964 *The Verbal Communication of Emotions* Susan R. Fussell, 2002-12-18 The volume brings together an interdisciplinary group of researchers focusing on the verbal communication of emotion The chapters provide a comprehensive look at the current state of research on the use of language in affective communication **Communicating Emotion** Sally Planalp, 1999-08-13 The modern world is forcing us to understand emotion in order to cope with new problems such as road rage and epidemic levels of depression as well as age old problems such as homicide genocide and racial tension At the same time scholarly research is leading us to appreciate how emotion helps us to understand and transcend our selfish interests to connect with others to feel what is just and moral and not just think it and to construct societies and cultures that govern our joint efforts This book draws upon scholarly research to address explain and legitimize the role that emotion plays in everyday interaction and in many of the pressing social moral and cultural issues that we face today **The**

Communication of Emotion Through Facial Expression Sabrina Marie Keane, 1996 **Communicating Emotion at Work** Vincent R. Waldron, 2013-08-22 Communicating Emotion at Work chronicles the rich emotional experiences of employees drawn from a broad cross section of industries and occupations It takes a decidedly positive approach recognizing that emotional communication is a vital and creative response to the challenges of life in complex organizations The text introduces readers to the engaging and cross disciplinary body of research that has emerged around organizational emotion At the same time each chapter is steeped in real life emotional narratives concrete examples and the contemporary trends that are changing the emotional tenor of work **The Communication of Emotional Meaning**, 1964 Emotional Communication Paul Geltner, 2013 What role does animal like and infantile communication play in life and in psychoanalysis How are painful childhood experiences recreated with people who are nothing like the original family What are the roles of loving and horrible feelings in psychoanalytic cure In Emotional Communication Paul Geltner places the pre linguistic type of communication that is shared with infants and animals at the core of the psychoanalytic relationship He shows how

emotional communication intertwines with language permeating every moment of human interaction and becoming a primary way that people involuntarily recreate painful childhood relationships in current life Emotional Communication integrates observations from a number of psychoanalytic schools in a cohesive but non eclectic model Geltner expands psychoanalytic technique beyond the traditional focus on interpretation and the contemporary focus on authenticity to include the use feelings that precisely address the client s repetitive patterns of misery The author breaks down analytic interventions into their cognitive and emotional components describing how each engages a different part of the client s mind and serves a different function He explains the role of emotional communication in psychoanalytic technique both in classical interpretations and in non interpretive interventions that use the analyst s feelings to amplify the therapeutic power of the psychoanalytic relationship Offering a clear alternative to both Classical and contemporary Relational and Intersubjective approaches to understanding and treating clients in psychoanalysis Paul Geltner presents a theory of communication and maturation that will interest psychoanalysts psychotherapists and those concerned with the subtleties of human relatedness *The Communication of Emotion: Current Research from Diverse Perspectives* Karen Caplovitz Barrett, 1997 The authors explore the cultural and familial factors that influence how emotions are communicated to children and the varied ways children s development is affected They show how context the nature of the relationship between partners the cultural background and the ongoing events surrounding communication between partners plays a crucial role in determining what is communicated and understood through facial vocal and other means of emotion communication And they reveal how emotion communication within the family directly affects the formation of children s self and other schemas and examine the role of emotion communication in the development of shame guilt and pride This is the 77th issue of the quarterly journal *New Directions for Child Development* For more information on the series please see the Journals and Periodicals section
