Ansley, 2025-10-07 The author invites readers to revisit how they think and speak about the church His plea is ecclesiological the church's study of the church because all the subthemes are related to the Church's beliefs and practices It is maverick independent from the herd because the themes addressed are typically ignored undervalued or misunderstood It is philological the study of words in that it seeks to guide us to use scriptural and theological language in ways consistent with Scripture **The Lord's Supper** Jonathan Black, 2023-07-11 Do this in remembrance of Me From the very beginning the Lord's Supper has stood at the heart of Christian worship But over the years we've trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it's life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ's promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you're feeling the lack of His presence are ashamed of sin in your life or have never felt anything during Communion Christ's invitation to partake in His feast is your invitation to taste and see that the Lord is good **Ecumenical Christian Dialogues and the Catechism of the Catholic Church** Jeffrey FSC. Gros, 2006 **Take This Cup** Charles Erlandson, 2020-04-29 Suffering is one of the few universals in life and something with which everyone who is reading this has struggled I have written this book that you might believe that your suffering has a meaning and that God is good I have written this book that you might rejoice in your suffering because all Christian suffering unites us to Jesus Christ and therefore leads to glory and joy I make this audacious and even offensive claim because it is the good news of Jesus Christ proclaimed in a different way It is the good news that God takes what men and devils mean for evil and transforms it into our glory and joy through his Son Read this book if you want to know how and where God promises his people glory and joy through their suffering Read it and take the cup of suffering with your Lord If you do he promises you he will unite himself to you through your suffering *Godparenting* Nancy Ann McLaughlin, Tracey Herzer, 2017-05-01 A lovely keepsake gift for godparents and a handy guide to use for years to come Being a godparent is a great honor and a sacred responsibility

Baptism after all is at the center of Christian life and godparents play a critical role in celebrating this sacrament When you accept the invitation to sponsor a little one what exactly are you promising to do Godparenting Nurturing the Next Generation explores the history and theology of godparenting and offers plenty of helpful tips on how to be the best godparent ever

How Majestic Is Your Name Walter Leslie McConnell, 2021-12-07 Christians give a broad spectrum of answers to the question What is worship These include ascribing worth to God performing certain activities during worship services singing a particular style of song responding to God with our whole being and more That Christians have such a splintered understanding of something as important as worship is far from satisfactory How Majestic is Your Name aims to broaden our understanding of worship by engaging the subject biblically and theologically as developed in both Testaments of Scripture As we learn more of God s design our daily weekly and seasonal practices of private and public worship will be renewed Foundations are laid by identifying the Old and New Testament words for worship and demonstrating their importance The object of worship is brought into focus as we encounter the God who is experienced as Father Son and Holy Spirit The object identified we consider the people who worship within space and time by engaging in a variety of activities Not content with simply recounting biblical evidence about the worship of Israel and the early church the book challenges modern worshippers to allow this biblical theological study to guide their thinking and shape their practice

Reconstructing Pastoral Theology Andrew Purves, 2004-09-20 In Pastoral Care in the Classical Tradition Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal the fiefdom of psychology and the social sciences He builds further on this idea here presenting a christological basis for ministry and pastoral theology

Beyond the Screen Andrew Zirschky, 2015-12-15 It s no secret that teenagers are perpetually connected via social media and mobile devices but while we ve analyzed as a culture how youth are connecting we ve done less well at understanding why teenagers are drawn to the glow of the screen Beyond the Screen explores the reality that teenagers use these technologies in desperate bid for an intimacy and depth of relationship largely absent from face to face society and the church Employing the latest ethnographic research on youth and digital media in tandem with theological reflection and interviews with teens themselves author Andrew Zirschky provides a deeper glimpse into the world of teens and social media and gives new direction and directives for ministering to Millennials
