

A photograph of several gondolas in a Venetian canal at night. The gondolas are dark, and their ornate, light-colored prow shields (prows) are illuminated, creating a strong contrast with the dark water and the night sky. The shields feature various designs, including a central crest. The water is dark and reflects the lights from the gondolas and the surrounding buildings.

The Companion Guide To Venice:

The Companion Guide to Venice Hugh Honour, 1997 It offers all that the visitor with a concern for beauty and for leisurely sight seeing will require Financial Times If ever a guidebook were designed to be read as literature it is Mr Honour's Even those who know Venice well and love it well will add to their appreciation from this seemingly endless store of information Economist Offers all that the visitor with a concern for beauty and for leisurely sight seeing will require FINANCIAL TIMES The best guide book I have ever encountered and a book I found it impossible not to read from beginning to end OBSERVER There are few pleasanter ways of passing a summer's evening than sitting over a cup of coffee and perhaps a glass of Aurum in the Piazza San Marco It is especially agreeable on those nights when the Venetian city band thunders away at some throbbingly romantic piece And all the while the younger inhabitants parade around the square chattering flirting quarrelling and staring at their visitors with that same unwinking gaze that Venetians have turned on their guests for the past five centuries The facade of San Marco closes the scene in a glitter of golden mosaic and a bubbling of cupolas while the great thick red campanile stretches up into the warm mothy darkness of the summer sky Hugh Honour it is clear knows Venice exceptionally well and catches the rhythms of the city's life with unerring skill His guide with its winning blend of evocative detail and precise information spurs the reader to investigate Venice's wonders Piazza San Marco is only the beginning of a journey into the heart of Venice and its history Companion Guide to Venice Hugh Honour, 1981
