The Complaint of Peace Querela Pacis,2023-07-18 Written by the medieval philosopher and

theologian Querela Pacis this impassioned plea for peace in a time of war remains relevant to this day Combining insights from Christian scripture with a powerful critique of political power The Complaint of Peace is a profound and unforgettable work of philosophy This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Complaint of Peace. Translated from the Latin of Erasmus, [by V. Knox?]. Desiderius Erasmus, Vicesimus KNOX, 1802 *The Complaint of Peace* Erasmo da Rotterdam, 2025 The Complaint of Peace. Tr. from the Latin of Erasmus Desiderius Erasmus, 1802 The Complaint of Peace. Transl Desiderius Erasmus, 2019-08-14 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy The Complaint of Peace, Translated from the Querela Pacis - Primary Source Edition Desiderius Erasmus, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

The Complaint of Peace Desiderius Erasmus, 1946 **War for Peace** Murad Idris, 2019 Peace is a universal ideal but its political life is a great paradox peace is the opposite of war but it also enables war If peace is the elimination of war then what does it mean to wage war for the sake of peace What does peace mean when some say that they are committed to it but that their enemies do not value it Why is it that associating peace with other ideals like justice friendship security and law does little to distance peace from war Although political theory has dealt extensively with most major concepts that today define the political it has paid relatively scant critical attention to peace the very concept that is often said to be the major aim and ideal of humanity In War for Peace Murad Idris looks at the ways that peace has been treated across the writings of ten thinkers from ancient and modern political thought from Plato to Immanuel Kant and Sayyid Qutb to produce an original and striking account of what peace means and how it works Idris argues that peace is parasitical in that the addition of other ideals into peace such as law security and friendship reduces it to consensus and actually facilitates war it is provincial in that its universalized content reflects particularistic

desires and fears constructions of difference and hierarchies within humanity and it is polemical in that its idealization is not only the product of antagonisms but also enables hostility War for Peace uncovers the basis of peace s moralities and the political functions of its idealizations historically and into the present This bold and ambitious book confronts readers with the impurity of peace as an ideal and the pressing need to think beyond universal peace
