Collecting Model Car and Truck Kits Tim Boyd, New from the Nostalgic Treasures series a comprehensive guide for modelers or would be modelers Discover histories and descriptions of some of the more significant collectible groups of kits including AMT s Trophy Series double kits 1953 62 Corvette kits Mopar B body kits Classic kits and more Find out how to get started collecting model cars what to look for and the pros and cons of collecting versus building vintage kits A superb addition to your modeling library *Catalog of the Automobile and Motorcycle Collection of the Division of Engineering,*

United States National Museum Smith Hempstone Oliver, 1950 *Collecting Drag Racing Model Kits* Tom Boyd, 2020-08-15

Relive the golden age of drag racing through this exhaustive volume covering the best drag racing model kits of the era Model expert Tim Boyd author of *Collecting Muscle Car Model Kits* turned his attention to the fantastic drag racing model kits available from the late 1950s through today Some racing model kits were actually 3 in 1 kits where the builder assembled the drag race version of the car in lieu of the street or custom version Boyd starts by covering the options collectability variety availability and value of these wonderful kits and then concentrates on the highly detailed drag racing only kits that became available starting in the mid 1960s through today He also shows the differences between original kits older reproduction kits and new reproduction kits that many enthusiasts find at swap meets and online sources today Many of these great kits were from the 1960s an era when building model kits was a widely popular serious hobby similar to video games today Not only was it fun to build the kits but it was also a great way to learn about all the different race classes and categories because there wasn t regular TV or online coverage during that era The artwork on those kits was fantastic and many collectors today seek original kits largely because of it The classes of racing covered are Gassers Rail Dragsters Stocks and Super Stocks Funny Cars Pro Stocks Exhibition Racers and more Drag racing cars designed by model companies that never actually existed are also covered Nostalgia drags are some of the most popular events around the country today People can t get enough of these old race cars that were built in an era when variety innovation and home building ruled the day

This book is great for modelers in general model kit collectors and drag racing fans young and old alike **Collecting Muscle Car Model Kits** Tim Boyd, 2018-05-15 In the 1960s model kit building was a huge hobby Kids built plastic kits of planes tanks race cars space ships creatures from scary movies you name it Before baseball card collecting Pok mon and video games model kit building was one of the most popular hobby activities Car and airplane kits were the most popular and among the car kits muscle cars as we know them today were one of the most popular categories Many owners of real muscle cars today were not old enough to buy them when the cars were new of course Yet kids of the 1960s and 1970s worshiped these cars to an extent completely foreign to kids today If you couldn t afford or were too young to buy a muscle car back

then what could you do For many the next best thing was to buy collect and build muscle car kits from a variety of kit companies Hundreds were made Many of these kits have become collectible today especially in original unassembled form Although people still build kits today there is a broad market for collectors of nostalgic model kits People love the kits for the great box art to rekindle fond memories of building them 40 years ago or even as a companion to the full scale cars they own today Here world leading authority Tim Boyd takes you through the entire era of muscle car kits covering the options collectability variety availability and value of these wonderful kits today Boyd also takes you through the differences between the original kits the older reproduction kits and the new reproduction kits that many people find at swap meets today If you are looking to build a collection of muscle car kits interested in getting the kits of your favorite manufacturer or even just of the cars you have owned this book will be a valuable resource in your model kit search
