The Conrad Capers:

The Conrad Capers Nancy Lamoureux, 2004-04-01 The Conrad Capers tells Conrad's story when he becomes the newly appointed Conrad following the 1994 California earthquake. He has spent most of his life locked in institutions but suddenly becomes legal tender in a saga of greed and opportunity. He would live forever if certain people could figure out how to make it happen. E Pluribus Unum, a motto of the United States, finds Conrad's face on countless U.S. fantasy greenbacks. His acquired name gives him status befitting royalty and he gets away with murder. Best of all, he can't talk, making him a perfect foil. He lived by his wits before and that doesn't change. Reluctant detective Marian Bradbury searches for his roots and never resolves the total mystery. And neither does anyone else. But you will as you follow Conrad's fate through the politics of the compassionate health care system. Ming Tea Murder Laura Childs, 2016-03 Normally Indigo Tea Shop owner Theodosia Browning wouldn't attend a black tie affair for all the tea in China. But she can hardly say no to her boyfriend who directs public relations for the Gibbes Museum in Charleston. Max has organised an amazing gala opening for an exhibit of a genuine eighteenth century Chinese teahouse and the crème de la crème of Charleston society is invited. But the evening takes a turn for the worse when Theodosia discovers the body of museum donor Edgar Webster. When Max becomes a suspect, it's up to Theodosia to solve the case. **The Purloined Encryption Caper** Rose Ameser

Bannigan, 2006-06-23 Five renegade NATO intelligence officers sent by their governments to the U.S. to steal industrial secrets from government and hi-tech companies secretly conspire to sell technologies they acquire to rogue nations for personal profit. All have high level contacts in European and Middle Eastern governments and criminal networks. They soon involve several U.S. government employees as information sources, enabling the group to steal patent applications and hi-tech data. Planning to be married, Rachel Brown resigns from the CIA after successful tours in Germany and Hong Kong. However, her pilot fiancé crashes en route to San Francisco for the wedding. With the help of a childhood friend, currently a powerful U.S. senator's aide, she returns to Washington and joins a lobbying firm representing several small high technology companies. She meets and becomes involved with the conspirators at Capitol Hill social events. She is of intense interest to them, especially after she becomes romantically involved with Jason Conrad, a client and CEO of a California hi-tech company involved in developing cutting edge encryption software and biometrics, areas of major interest to the NATO conspirators. Her liaison with Jason gets complicated when her former lover, a college friend of Jason's and international journalist, reenters her life and wants to revive their old affair. Through her past contacts, she alerts the CIA and FBI of the European groups' intrigues and together with Jason cooperates with the government to try and thwart the foreign agents whose ruthless schemes involve murder, kidnapping and blackmail. The action moves from Washington to West Virginia, San Francisco, Paris and Belgium as Rachel becomes more enmeshed in the nefarious schemes and intrigues. Her progress from innocence to the world of espionage and betrayal reflects the complexity of modern life for this young professional woman. **Ohio Heists** Jane Ann

Parins,Robert J. Dilligan,Todd K. Bender,2020-04-30 Originally published in 1976 this publication falls into three parts The Verbal Index The Word Frequency Table and The Field of Reference A scholar interested in the full range of connotation for the word heart in Conrad would look first to the word frequency table to see how often the word in question occurs in *Lord Jim* If the word is indeed part of the vocabulary of the novel he then would turn to its alphabetical listing in the verbal index and the line numbers in which it appears Then turning to the field of reference he could locate the lines cited and look at each occurrence of the word in context The authors feel that the data provided by these tables is of basic importance to both the editor and the literary critic *Conrad and Gender* Andrew Michael Roberts,2023-12-18 Series Editor Allan Simmons For submissions and a template please visit www.josephconradsociety.org conradian
