Nostalgia in Jewish-American Theatre and Film, 1979-2004 Ben Furnish,2005 Nostalgia a bittersweet yearning for the past is an important element in Jewish American performances of the late twentieth century Numerous plays and films of this time use nostalgia to engage Jewish including Yiddish cultural themes and images Nostalgia offers audiences a window through which to examine past and current social changes These include American Jews departure from Europe to America the city for the suburbs Yiddish for English as well as the civil rights women s peace and gay and lesbian movements and other transformations These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene

Christianity and Rabbinic Judaism Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable

work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis *Neil Simon on Screen* Peter

Teaching and Studying the Holocaust Samuel Totten, Stephen Feinberg, 2009-11-01. Originally Published in 2000 by Allyn Ida E. King. Distinguished Visitor, Professor of Holocaust Studies, Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum. There are many scholars who are wont to criticize the teaching of the Holocaust. Many journalists critique what they regard as kitsch or trendiness. All critics of contemporary Holocaust education would do well to read this book. One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose. It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust, an open invitation to learn more and teach more effectively. Barry van Driel, Coordinator, International Teacher Education, Anne Frank House, Amsterdam. Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom. The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust. It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers but for teachers across the curriculum. Dr. Nili Keren, Kibbutzim College of Education, Tel Aviv, Israel. Teaching about the Shoah is one of the most complicated tasks for educators. Indeed, teaching and studying this history raises unprecedented questions concerning modern civilization and presents teachers and students with tremendous challenges. Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history and in doing so they assist educators to face the aforementioned challenges head-on. Teaching and Studying the Holocaust does not make the task easier but it does make it possible. Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas Fayetteville. Prior to entering academia, he was an English and social studies teacher in Australia, Israel, California and at the U.S. House of Representatives.

Page School in Washington D C Totten is also editor of Teaching Holocaust Literature published by Allyn Bacon Stephen
Feinberg is currently the Special Assistant for Education Programs in the National Institute for Holocaust Education at the
United States Holocaust Memorial Museum With Samuel Totten he was co editor of a special issue Teaching the Holocaust of
Social Education the official journal of the National Council for the Social Studies For eighteen years he was a history and
