Taddeo, 1998 Dan Taddeo has compiled a powerful collection of life transforming messages from throughout the ages They are timeless and challenging They give encouragement and hope They provide perspective and solutions The selections that appear in this book are far from exhaustive they have appealed to me for years as praiseworthy thoughts that are instrumental in the development of the American character *A Treasury of Jewish Inspirational Stories* Lawrence Jeffrey Epstein, 1993 When we speak of God reaching out to humans it is called revelation and the human response to revelation is inspiration A Treasury of Jewish Inspirational Stories is meant to move the head and the heart to appreciate as author Lawrence J Epstein writes the effects that divine influence and guidance have had on Jewish individuals communities and history The stories he has gathered manifest the many forms of this human response As in his previous best selling volume A Treasury of Jewish Anecdotes Epstein shows us his remarkable skill of gathering tales and his talent for retelling them in a voice that speaks clearly to a contemporary audience These are not stories of purported miracles Nor are they always verifiable Some of the stories are folktales others are exaggerations Some are biographical others are snapshots from history But all have a singular theme and goal renewed faith in divine guidance or in the human capacity to do good deeds Epstein explains in his introduction that an inspirational story can affect its listener in many ways it can clarify religious ideas lead to spiritual experiences reinforce theological notions provide peace of mind give birth to motivation for spiritual action and serve as a model for living To find such stories for A Treasury of Jewish Inspirational Stories Epstein searched every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and reverence A Treasury of Jewish Inspirational Stories is a fine sourcebook for what the author describes as a special kind of literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of inspirational stories came
