activities such as drug trafficking human smuggling and gambling Contrary to the popular belief that Hong Kong triads are replacing the Italian Mafia as the most powerful criminal organization in the world this book argues that Hong Kong triads may be declining as other ethnic Chinese crime gangs emerge as powerful crime groups in Western societies Based on interviews with ex triad members and victims of the triads police from Hong Kong mainland China and Europe as well as documentary evidence *The Triads as Business* gives a vivid and compelling picture of the triads as part of a wider society

Confessions of an Undercover Agent Charlie Spillers, 2016-03-24 This true story of an ex Marine who fought crime as an undercover cop a narcotics agent and finally a federal prosecutor spans a decade of crime fighting and narrow escapes Charlie Spillers dealt with a remarkable variety of career criminals including heroin traffickers safecrackers burglars auto thieves and members of Mafia and Mexican drug smuggling operations In this riveting tale the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life As a young officer with the Baton Rouge Police Department ex Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence Working alone and often unarmed he constantly attempted to walk the thin line between triumph and disaster When on the hunt his closest associates were safecrackers prostitutes and burglars His abilities propelled him into years of undercover work inside drug trafficking rings But the longer he worked the greater the risks His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself After Baton Rouge he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover from the Gulf Coast to Memphis and from New Orleans to Houston Texas He capped off a unique career by becoming a federal prosecutor and the justice attach for Iraq In this book he shares his most intriguing exploits and exciting undercover stings putting readers in the middle of the action
