The Christian Pastor:

The Christian Pastor Wayne E. Oates, Wayne Edward Oates, 1982-01-01 A standard work in seminaries and a reliable guide for clergy in many denominations for over thirty years The Christian Pastor has been revised to include up to date research on the role of pastors in contemporary life In examining today s changing ministry Wayne Oates makes use of recent psychological interpretations and at the same time preserves the biblical and theological emphases of earlier editions *The Christian Pastor* Dr Larry E. Beauchamp, 2014-03-25 Being a Christian pastor is not a job or an occupation it is a calling from God Although men from varied backgrounds cultures and walks of life are called into the ministry in this Dr Beauchamp s eleventh book he explains from Scripture the qualifications they all must possess Some of these qualifications are not socially or politically correct but they are Biblically based and have never changed Various leadership styles are discussed with an emphasis on the Biblical leadership style of servant leader as demonstrated by Jesus Christ Other topics discussed are the Marks of a Pastor the Pastor s Essential Character Trait the Pastor s Prayer Life and the Pastor s Study Life Dr Beauchamp discusses the Lost Pastoral Quality which is missing from many schedules of today s pastor He speaks of A Match Made in Heaven in which God joins a church with the man who possesses the spiritual gifts needed by that church at that time in the life of the church Dr Beauchamp brings the book to a conclusion by including a Complete List of Perfect Pastors as revealed by history and his own experiences **The Christian Pastor and the Working Church** Washington Gladden, 1906

The Christian Pastor, One of the Ascension Gifts of Christ. A Discourse to Vindicate the Divine Calling of the Pastors of the Christian Church, Etc Robert Jefferson BRECKINRIDGE, 1845 *The Christian Pastor, the Working Church* Washington Gladden, 2015-06-16 Excerpt from The Christian Pastor the Working Church This book is intended to cover the field of what is known as Pastoral Theology The technical phrase is not well chosen theology in any proper sense of the word is not connoted by it It deals with the work of the Christian pastor and the Christian church Its subject is applied Christianity It is concerned with the ways and means by which the truth of the Gospel of Christ is brought to bear upon the lives of men in the administration of the local congregation It seeks to show the pastor how he may order his own life and the life of his flock so that their joint service may be most effective in extending the Kingdom of God upon earth It is not wholly a matter of methods and machinery for the spirit in which the work is done is the main concern but it is a study of the life of the church as it is manifested in the community where it is planted The forms of this life greatly vary as civilization changes New occasions teach new duties Ethical standards are purified and elevated the emphasis of the teaching is altered modes of address methods of administration that once were effective are no longer practicable the work of the church must be adapted to the conditions by which it is surrounded This truth has been constantly in view in the preparation of this treatise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally

Fisher,2010-08-03 The third millennium It s a time of tremendous opportunity for the church and tremendous challenge More than ever pastors need a model for ministry that can equip them for the rigors of a restless increasingly secularized culture In the 21st Century Pastor David Fisher explores the apostle Paul s concept of ministry to offer a paradigm that is both biblical and relevant Paul s view is fleshed out with examples from Fisher s own twenty five years of pastoral experience presenting a roadmap for today s pastor that is scholarly practical dynamic and inspiring The 21st Century Pastor first addressees crucial issues of pastoral identity the significance of geography time and ecclesiology It then explores Paul s metaphors for ministry jars of clay farmers and builders servants and stewards and others to reveal an accurate portrait of an effective biblical pastor the kind who will speak to the heart of modern culture rather than languish on its fringes Filling the rare role of a pastor to pastors Fisher s sage insights help pastors answer their own identity questions empowering them to minister to a deeply needy society Says Fisher Pastors who know what time it is will in the name and power of God create communities of faith where the values of the Gospel are embraced taught and lived out
