The Christian Watt Papers:

The Christian Watt Papers Christian Watt, 1988 *The Christian Watt Papers* Christian Watt, 2023-12-05 Caught between these covers is the authentic forthright voice of Christian Watt servant girl lady's maid and fishwife Born in 1833 her working life began in domestic service before the age of nine and ended with her selling her husband's catch from door to door The tragic death of most of her close male family her husband four brothers and her favorite child drowned by a sudden squall that sunk their boat robbed her of her sanity But cared for in the remarkable Cornhill Asylum in Aberdeen a kindly doctor encouraged her to write her memoirs in pencil In 1983 this bundle of papers which included other family documents was turned into a book by the historian David Fraser and has been saluted as the Montaigne of Scotland Half Length Portrait of Christian Watt Seated and Holding Papers on Lap Connon Collection, Christian Watt, Thomas Connon, John Connon, Elora (Ont.), 1851 Memoirs of Victorian Working-Class Women Florence s. Boos, 2017-12-02 This volume is the first to identify a significant body of life narratives by working class women and to demonstrate their inherent literary significance Placing each memoir within its generic historical and biographical context this book traces the shifts in such writings over time examines the circumstances which enabled working class women authors to publish their life stories and places these memoirs within a wider autobiographical tradition Additionally *Memoirs of Victorian Working Class Women* enables readers to appreciate the clear sightedness directness and poignancy of these works The Death of Christian Britain Callum G. Brown, 2013-04-15 *The Death of Christian Britain* uses the latest techniques to offer new formulations of religion and secularisation and explores what it has meant to be religious and irreligious during the last 200 years By listening to people's voices rather than purely counting heads it offers a fresh history of de christianisation and predicts that the British experience since the 1960s is emblematic of the destiny of the whole of western Christianity Challenging the generally held view that secularization has been a long and gradual process beginning with the industrial revolution it proposes that it has been a catastrophic short term phenomenon starting with the 1960 s Is Christianity in Britain nearing extinction Is the decline in Britain emblematic of the fate of western Christianity Topical and controversial *The Death of Christian Britain* is a bold and original work that will bring some uncomfortable truths to light **Fishing for Heritage** Jane Nadel-Klein, 2020-05-26 Castles lochs seascapes Coastal Scotland is one of the world's most romanticized tourist destinations yet it is in the midst of severe economic decline The North Atlantic fisheries crisis has hit Scottish communities hard and local fisherfolk are faced with chronic insecurity anxiety over the decline of fishing and doubts about their cultural survival The decline of this traditional industry has been accompanied by growing tourism along Scottish shores Fishing villages are marketed for tourist consumption and culture has become a commodity Drawing upon fieldwork novels folk music and travel literature Nadel Klein explores how these influences have affected locals sense of identity and presence within a modern European nation How is identity linked to power What role do memory and authenticity play in the creation

of Scottish heritage How do locals feel about the onslaught of tourists The topical nature of these issues and their relevance to other regions facing similar tensions make this book an important contribution to contemporary anthropology

Victorian Servants, Class, and the Politics of Literacy Jean Fernandez, 2009-09-10 In this volume Fernandez brings the under examined figure of the Victorian servant out of obscurity in order to tell the story of his or her encounter with literacy as imagined and represented in nineteenth century fiction autobiography pamphlets and diaries A vast body of writing is uncovered on the management of servant literacy in Victorian periodicals advice manuals cartoons sermons books on household management and pornography thereby revealing that the domestic sphere was a crucial war zone in the battle over mass literacy By attending to how fictional and nonfictional texts of the age feature literate servant narrators she demonstrates how the issue of servant literacy as a cultural phenomenon has profound implications for our understanding of the nexus between class mass literacy voice and narrative power in the nineteenth century The study reads canonical fiction by Mary Wollstonecraft Emily Bronte Elizabeth Gaskell Wilkie Collins and R L Stevenson alongside popular detective fiction by Catherine Crowe the Diaries of Hannah Cullwick and best selling pamphlets of the age while introducing to Victorian scholarship hitherto little known or unknown servant autobiographies that address life history as an engagement with literacy

Migrations Rod Edmond, 2013 Traces the journeys of his Scottish forebears as they separately made their way to New Zealand The migration story begins with Charles Murray leaving Aberdeenshire in 1884 to become a missionary on the island of Ambrym On the other side of Scotland Catherine McLeod and her family had already abandoned their small coastal croft and sailed for Tasmania Back cover

Sex and Violence in 1920s Scotland Louise Heren, 2023-10-05 Using case records of prosecutions at the Scottish High Court of Justiciary between 1918 and 1930 this book takes a quantitative and qualitative approach to understand sexual violence in Scotland at this time Analysing legal records alongside victim and witness testimonies Louise Heren analyses who committed sexual violence against whom where and how and to an extent looks to uncover the victims voice Assessing how the courts responded Sex and Violence in 1920s Scotland reveals that despite pejorative views of working class female behaviour the successful conversion of prosecutions to convictions was greater than what is seen in modern sexual assault cases In a society adjusting to post conflict stresses there were fears expressed in middle class circles that those most affected by the First World War might react with violence However the High Court archives suggest otherwise Cases of incest rape and sexual assault appears to have been endemic an opportunistic crime against older victims yet often pre meditated against the youngest selfish crimes that suggest toxic masculinity among some working class men The book concludes with the ultimate question why did these men perpetrate sexual violence

Women and Scottish Society, 1700-2000 W.W.J. Knox, 2021-05-03 This book attempts to cover all the important aspects of a woman s life in Scotland examining how and why it changed over the last 300 years It walks us through the day to day existence of Scottish women and in doing so covers areas such as family and household education

work and politics religion and sexuality crime and punishment While sensitive to the differences among women regarding colour class and sexuality the book seeks to establish a close and reciprocal relationship between women s history and gender history the first delineating the struggles of women for parity with men in economic legal and political spheres the second as means of unravelling the continuing ways in which power is unequally distributed within the home the workplace and in institutions and in contesting the male centred narratives of the past
