The Christmas List:

The Christmas List Richard Paul Evans, 2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of *The Christmas Box* Grace The Gift and Finding Noel The New York Times bestselling author of *The Christmas Box* and *The Walk* series returns with a holiday novel of hope love and redemption Dear Reader When I was in seventh grade my English teacher Mrs Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500 At the time I hadn't considered writing as an occupation a field with a remarkably low on the job casualty rate What intrigues me most about Mrs Johnson's assignment is the opportunity she gave us to confront our own legacy How do we want to be remembered That question has motivated our species since the beginning of time from building pyramids to putting our names on skyscrapers As I began to write this book I had two objectives First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them Their legacy Second I wanted to write a Christmas story of true redemption One of my family's holiday traditions is to see a local production of Charles Dickens's *A Christmas Carol* I don't know how many times I've seen it perhaps a dozen but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull tight fisted miser into a penitent giddy as a schoolboy man with love in his heart I always leave the show with a smile on my face and a resolve to be a better person That's what I wanted to share with you my dear readers this Christmas a holiday tale to warm your season your homes and your hearts Merry Christmas

The Christmas List Pete Nelson, 2008-09-14 The uplifting conclusion of *The Christmas List* a heart warming account of the power of encouragement and appreciation is based on a true story that circulated on the Internet A nun told her fourth grade students to write their names on a piece of paper and then pass the paper to the next person who was to write a sentence of appreciation about the person named at the top When the exercise was done each student had twenty four comments of admiration and appreciation one from each classmate *The Christmas List* follows James Engler who returns home to Iowa one Christmas after his fiancée calls off their marriage and discovers that his best childhood friend Mike has just been killed in the Gulf War When Mike's parents reveal at a memorial service that Mike had carried his fourth grade list with him most of James's former classmates confess that they too kept their lists as a reminder even in the worst of times of their admirable traits and that they were appreciated James also renews his acquaintance with his former classmate Sarah who wrote on his list You are a great guy and some day I'm going to marry And she does

View from the Edge Warren Swier, 2010-08 Blizzards drought fire floods hail tornadoes and wind are the violent forces of nature that define extreme living in the upper Midwest. In *View From the Edge* Warren Swier opens a door into the hearts of those who live in rural America and eloquently exposes the complexity of their character. He offers a glimpse into the joys and struggles that farmers incur while planting and harvesting a crop which run parallel to the delights and challenges that parents encounter while raising a family. Warren also details the endearing essence of small town life and reveals the moral fiber of rural people. Our Uncle's Promise Ruta Levu, 2025-09-18 This is a LGBTQIA family memoir. This is a story of two grandparents two gay uncles and four little girls growing up in the 1970's and 1980's. The four little girls lost their mother and their father was transferred by the military so they were raised by their maternal grandparents and their two gay uncles. This story is about loss but also about unconditional love and the adventures with the fun uncles around the San Francisco Bay Area. The story goes through the heart break that the little girls should not have had to face so young but they were rescued by their grandparents and their fun loving uncles. The four little girls learned that there is a rainbow after the rain and that you can laugh and smile after loss. In our lifetime a door may have closed but a window opened for unconditional love and an occasional disco dance with the uncles. *Co-operative Bulletin* Pratt Institute. Library, 1905
