The BOD3Y of Christ as God Intended Kimberley Woods, 2022-11-03 aEURoeGuys come on There is work to do and I need your help aEUR Just like the popular wristband aEURoeWhat would Jesus do aEUR we must ask ourselves the same question LetaEUR tm s make disciples The BOD3Y is my personal story to true freedom My real life experiences are laid out here to assist with personal liberation as God intended Enjoy aEURKim WoodsLife with faith in something bigger than yourself can yield great rewards We have all seen on the news and in our lives how life without faith and service to a higher power can cause us to cling on to things that do not matter We end up creating prisons for ourselves and our families We are called to set the captives free and give an example to love unfiltered We are given the example of the women caught in adultery We were shown that love covers a multitude of wrongs and that we all have fallen short BOD3Y is a path for anyone stuck in their past It is a tool that anyone can use to be set free Kim Woods left a successful business career to pursue the visions for her life From starting with a small business designed to provide jobs for rehabilitated adults to returning to a business career out of fear to being laid off for the first time to starting another small distributor business Kim surrendered her life to Jesus Christ Amen Through bouts of fear and uncertainty she had a wilderness experience that helped to focus her efforts to help set the captives free BOD3Y is not only for Christians but BOD3Y is also for anyone seeking to be free from a life that is empty void and without meaning Come on now Marriage ~ As God Intended It to Be! lasting marriage A Treatise of Divine Providence as Relating to the Church of God in the World ... Reprinted from the Edition of 1680 Stephen Charnock, 1839 *What Jesus Intended* Todd D. Hunter, 2023-07-18 Many of us feel disoriented and unsteady after an endless string of church scandals After forty years of ministry Todd Hunter is no stranger to betrayal and pain in the church But by unpacking the purposes of Jesus we can expose twisted toxic religion for what it is and embrace the healing and goodness we've always longed for **The Incarnation as God's First Intention** Edwin Chr. van Driel, 2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God's engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God's original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church's mission in today's world suggesting that God's presence with us is not merely a remedy for human fallenness but rather God's first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God's relation to the world this book challenges readers to see the incarnation God's dwelling among us as God's central purpose *Love As God Had Intended: A High School Science Teacher Is Given Lessons in Goodness By Native American Teenagers* Harry Cralle, This is a true story about the kind of love for one another that God had intended It is a love that arose between a young white man the author and a group of Native American high school students in an experimental school in Chicago in the early 1970s I was a volunteer general science teacher who attempted to teach science with a spiritual dimension within the guide lines of a public school There are many instances of humorous and serious classroom events However most of the book is devoted to dramatic events outside the school involving sports violence crime police sexual abuse attempted suicide attempted murder and great acts of self sacrificing love On two occasions adult Native Americans put me in mortal danger I was saved in one case by two male Native American teenagers ages 14 and 15 and in the other case by the 15 year old male and a 14 year old female They risked their lives to save my life These experiences show how the love that God had intended overcame all social and historical barriers all anger and jealousy all bitterness and resentment to generate goodness and the courage to battle and defeat evil When we see the moon or planets we see the reflected light of the Sun In the love and goodness of these heroes I saw the reflection of the love and goodness of God From 1983 to 2017 I had a professorship in teaching and research at Texas A M University in the Department of Soil Crop Sciences In my 34 years at TAMU I taught more than 13 000 students and supervised more than 300 graduate teaching assistants I taught courses in agricultural ethics history of farming in the Great Plains world food and fiber crops sustainable crop production agricultural extension and international agricultural development My research areas were the interaction of crops and weeds biological nitrogen

fixation and the distribution of the products of photosynthesis within plants I am now retired In this book I show how deeply my teaching and understanding of life was affected by these young Native Americans God's Purpose for the Fivefold Ministry Morris Cerullo,2016-01-28 Have you ever wondered about the fivefold ministry as described in Ephesians 4 and whether or not you have been called to serve in any of those positions If so this book will give you detailed information about each of the positions their purpose and who should be serving in each position Some of the topics are God s end time plan for perfecting the saints Ministering as a shepherd The Church must put an end to sin to restore God s order **Commentary on Ephesians, Philippians, and Colossians: Bible Study Notes and Comments** David Pratte,2019-01-16 Bible study notes and commentary on the New Testament books of Ephesians Philippians and Colossians Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Redemption through Christ The church in God s eternal purpose Salvation by grace through faith The new life in Christ Relations between husbands and wives parents and children Victory over Satan by the armor of God The Deity of Jesus Joy in Christ Bible BibleStudy Pastoral Reflections on Life and Ministry John P. Davis,2021-10-29 Pastoral Reflections on Life and Ministry expresses my passion to look at life and ministry through the lens of the gospel of Jesus Christ Whether it is theology Christian fellowship ecclesiology or social issues the gospel alone sheds the kind of light needed to see things from God s perspective These are reflections of a man a husband a father a pastor and a friend who continues to grow in God s forgiving and transforming grace and in the superior soul satisfying knowledge of our Lord Jesus Christ I offer these reflections not only for you to know how I think but to challenge you to think and write and share your gospel centered thoughts with others **Expository Hermeneutics** Elliott Johnson,2023-10-30 Expository Hermeneutics invites the student on a journey to a life and ministry based on exposition of the Bible Hermeneutics provides a guide to understand the message and apply that message in its original setting and then in a comparative way in the contemporary day We adopt the Scriptures view of itself as God s word As a result we believe the Bible has a truth value as reflected in the canon of Scripture The goal of hermeneutics defines verbal meaning as the author s willed type message read as a whole book so that the message is communicated with a truth content to be understood The method of hermeneutics is both read in a circular pattern and practiced as an objective task It is objective in the sense that God authors a transhistorical message and the reader is aware of their own presuppositions and adopts those of Scripture As such the message can be validated in its truth content However this does not prove it true even though it provides an evidential conviction that the truth value has been understood
