Athyal,1996 This book sums up in one volume the most noteworthy present day trends of the church in each country of Asia its critical challenges and opportunities ahead **Pentecost in Asia** Thomas C. Fox,2003-09 What would the Catholic Church look like if an unyielding search for justice and harmony characterized its mission in the world What if the Church s priorities shifted so that living in solidarity with the laity especially the poorest among them became its primary goal How would Catholicism appear to the world and to other religions if simply living out the Gospels became its primary mode of evangelization What if Catholic bishops looked to their theologians as venerable masters incorporating them into deliberations on theology and pastoral care How would Catholic authority be transformed if building consensus became a primary means of finding direction Or if leaders knew in the final analysis authority had to be earned from their people This would be a new kind of Catholicism And as journalist Thomas C Fox shows us this Catholicism has already been born and has been coming to life in Asia over the past thirty years It is a new Catholicism that offers a fresh new vision of Church a global vision for the 21st century The churches in Asia, extr. from the home letters of A.N. Somerville [ed. by W.F. Somerville]. Alexander Neil Somerville,1885 The Letters to the Seven Churches of Asia W. M.
