Sarah Morgan Sarah Morgan Dawson,1992-10 Not quite twenty years old Sarah Morgan began her diary in January 1862 nine months after the start of the Civil War She writes of her many brothers the turmoil of the devastated South and events of the war For the first time the entire diary has been published unabridged *Sarah Morgan* Charles East,1991

Sarah Morgan Sarah Morgan Dawson,1992 **A Confederate Girl's Diary** Sarah Morgan Dawson,1913 Life in Baton Rouge New Orleans etc 1862 1865 *The Civil War Diary of Sarah Morgan* Sarah E. Morgan,1991 [The Civil War Diary of Sarah Morgan](#) Sarah Morgan Dawson,1991 Reveals the thoughts of a young woman whose life loyalties and beliefs were torn apart by the Civil War **A Confederate Girl's Diary** Sarah Morgan Dawson,2015-04-11 Remarkable Sarah Morgan Dawson reminds us that the best history is heartfelt and heart seared A thoroughly authentic voice of the war Ken Burns An intimate portrait of her personal journey The life of an articulate passionate and intelligent young woman from Baton Rouge Louisiana By locating her own story within a grand narrative of war Sarah left a legacy that has helped historians to examine southern women s varied wartime experiences and the ways in which these women rebuilt their lives and identities during Reconstruction This process along with its long term effects has become one of the most contentious issues in southern women s history Giselle Roberts The Correspondence of Sarah Morgan and Francis Warrington Dawson Sarah Morgan Dawson a native of Baton Rouge Louisiana recorded her experiences as a young woman living in the Confederacy during the War Between the States The war divided her family when her eldest brother decided to remain loyal to the Union and three of her other brothers accepted positions in the Confederate Army Her diary is filled with personal insights and emotion and is one of the more exceptional first hand accounts of the war years of 1861 1865 A Confederate Girl s Diary written from March 1862 to June 1865 discourses on topics as ordinary as household routines and romantic intrigues to those as unsettling as concern for her brothers who were fighting in the war Largely self taught she describes in clear and inviting prose fleeing Baton Rouge during a bombardment suffering a painful spinal injury when adequate medical help was unavailable the looting of her home by Northern soldiers the humiliation of life under General Butler in New Orleans and dealing with privations and displacement in a region torn by war She was a child of her time and place Her inability to see the cruelty and indignity of slavery grates harshly on the modern ear Regardless of how one feels about the Lost Cause Sarah Morgan Dawson s diary provides a remarkable historical perspective on life behind the lines of this bitter conflict [A Confederate Girl's Diary](#) Sarah Morgan Dawson,2016-11-22 Sarah Morgan Dawson was an American writer from New Orleans best known for keeping a diary of her Civil War experiences The book provides an excellent look at how the war affected her family and is considered one of the most famous first hand accounts of the American Civil War *Sarah Morgan* Charles East,1992-10-01 Born into one of the best families of Baton Rouge Sarah Morgan was not yet twenty when she began her diary in January 1862 nine months after the start of the Civil War She was soon to experience a coming of age filled with the turmoil and upheaval that

devastated the wartime South She set down the Remarkable events of the war in a record that remains one of the most vivid evocative portrayals in existence of a time and place that today make up a crucial chapter in our national history Sarah Morgan herself emerges as one of the most memorable nineteenth century women in fiction or nonfiction a young woman of intelligence and fortitude as well as of high spirits and passion who questioned the society into which she was born and the meaning of the war for ordinary families like her own and for the divided nation as a whole Now published in its entirety for the first time Sarah Morgan s classic account brings the Civil War and the Old South to life with all the freshness and immediacy of great literature Sarah's Story Kathleen R. Walls, Sarah M. (WRP) Dawson, 2005-03-01 If you were the privileged daughter of a wealthy judge life in Louisiana in the years before the War Between the States was heavenly 1862 brought a crashing halt to the good times Life became hell on earth Federal officials singled you out for the harshest punishment because you were a known Rebel Rabid secessionists hated you if you didn t proclaim your hatred for the Yankees An intelligent young lady with brothers on both sides of the conflict was trapped in the middle of a war she never wanted Sarah Morgan s diary relives her joys and sorrows as she watches her home town sacked flees in the night to escape the exploding shells yet finds joy in trivial things Her tiny canary a gift from her brother is her favored pet Outings with friends and quiet family gatherings share her chronicle with the death of her two brothers Through it all Sarah recounts life as she lived it always against the backdrop of the war that took her from her life of privilege to refugee hovels As the war grinds to its final conclusion Sarah must take refuge with her older brother who has remained loyal to the union No account of this time is more poignant and more reveling of the real life of those who kept the home fires burning
