The Clore Gallery A History:

The Clore Gallery for the Turner Collection at the Tate Gallery Robin Hamlyn, Tate Gallery, Peter Wilson ((Gallery Services, Tate Gallery)), Poul Hansen, Peter Cannon-Brookes, 1987 *Sculpture and the Museum* Christopher R. Marshall, 2017-07-05 Sculpture and the Museum is the first in depth examination of the varying roles and meanings assigned to sculpture in museums and galleries during the modern period from neo classical to contemporary art practice It considers a rich array of curatorial strategies and settings in order to examine the many reasons why sculpture has enjoyed a position of such considerable importance and complexity within the institutional framework of the museum and how changes to the museum have altered in turn the ways that we perceive the sculpture within it In particular the contributors consider the complex issue of how best to display sculpture across different periods and according to varying curatorial philosophies Sculptors discussed include Canova Rodin Henry Moore Flaxman and contemporary artists such as Rebecca Horn Rachel Whiteread Mark Dion and Olafur Eliasson with a variety of museums in America Canada and Europe presented as case studies Underlying all of these discussions is a concern to chart the critical importance of the acquisition placement and display of sculpture in museums and to explore the importance of sculptures as a forum for the expression of programmatic statements of power prestige and the museum s own sense of itself in relation to its audiences and its broader institutional aspirations **Oldham County, Kentucky-History and Families** Oldham County Historical Society, 2002-11 **Ranci ère and Performance** Nic Fryer, Colette Conroy, 2021-02-22 Jacques Ranci ère has been hugely influential in the field of political philosophy and aesthetics This edited collection is the first to investigate the points of contact between the work of Ranci ère and the field of theatre and performance studies Recent scholarly works in this discipline have drawn upon concepts from Ranci ère s writing from teatrocracy to emancipated spectators to investigate problems of audience participation politics and aesthetics Before these concepts and critical tools peel away from the works through which they emerged this book seeks a detailed critical assessment of the works themselves and their implications for theatre and performance studies The collection examines the critical and analytical interventions that have been made to date and looks forward towards challenges to the future uses of Ranci ère s work in performance and theatre studies It also considers a wide range of performance work from a performance for the residents of a Victorian workhouse to the activist performances of Liberate Tate This collection includes work by ten scholars and is an essential resource for researchers and academics working in areas of performance and aesthetics performance and activism and performance and philosophy **History Today** , 2001 *Encyclopedia of Contemporary British Culture* Peter Childs, Michael Storry, 2013-05-13 Boasting more than 970 alphabetically arranged entries the Encyclopedia of Contemporary British Culture surveys British cultural practices and icons in the latter half of the twentieth century It examines high and popular culture and encompasses both institutional and alternative aspects of British culture It provides insight into the whole spectrum of British contemporary life Topics covered

include architecture pubs film internet and current takes on the monarchy Cross referencing and a thematic contents list enable readers to identify related articles The entries range from short biographical synopses to longer overview essays on key issues This Encyclopedia is essential reading for anyone interested in British culture It also provides a cultural context for students of English Modern History and Comparative European Studies

A Bibliography of Museum Studies Simon J. Knell, 2016-12-05 A comprehensive bibliographic reference for students and others wishing to investigate the contemporary literature on museums and collections The references are systematically arranged into sections including collections management communication and exhibitions museum education material culture the museums profession and museum management Compiled from the research and teaching materials of the Department of Museum Studies at the University of Leicester it provides an essential resource for anyone studying or working in museums Containing more than 4 000 references this new bibliography provides ready access to the literature whether you are developing a disaster plan or visitor survey or studying the history of museum education
