The Cocaine War Hc:

The Cocaine War Belén Boville Luca de Tena, 2004 A multifaceted analysis of the geopolitical interests behind the drug war the interplay between ecology cocaine and politics and the danger this war poses to the political stability of weak democracies human rights and development

A Drug War Carol Susan W. Wells, Scott Bieser, 2003 Drug War Heresies Robert J. MacCoun, Peter Reuter, 2001-08-27 This book provides the first multidisciplinary and nonpartisan analysis of how the United States should decide on the legal status of cocaine heroin and marijuana It draws on data about the experiences of Western European nations with less punitive drug policies as well as new analyses of America's experience with legal cocaine and heroin a century ago and of America's efforts to regulate gambling prostitution alcohol and cigarettes It offers projections on the likely consequences of a number of different legalization regimes and shows that the choice about how to regulate drugs involves complicated tradeoffs among goals and conflict among social groups The book presents a sophisticated discussion of how society should deal with the uncertainty about the consequences of legal change Finally it explains in terms of individual attitudes toward risk why it is so difficult to accomplish substantial reform of drug policy in America

Health & Drugs Nicolae Sfetcu, 2014-05-02 Information about drugs side effects and abuse Drug prescription medication and therapy online stores to buy drugs Testing interaction administration and treatments for the health care Medicine is the branch of health science and the sector of public life concerned with maintaining or restoring human health through the study diagnosis treatment and possible prevention of disease and injury It is both an area of knowledge a science of body systems their diseases and treatment and the applied practice of that knowledge A drug is any biological substance synthetic or non synthetic that is taken for non dietary needs It is usually synthesized outside of an organism but introduced into an organism to produce its action That is when taken into the organisms body it will produce some effects or alter some bodily functions such as relieving symptoms curing diseases or used as preventive medicine or any other purposes

Drugs and Crime Philip Bean, 2014-04-03 A high proportion of crimes committed in Britain are drugs related with many offenders having a documented history of drug use However the direct link between drugs and crime is often less clear than is supposed and this text attempts to achieve a better understanding of these and surrounding issues that have been marred by misunderstanding and a lack of consensus amongst experts This text offers a major contribution to existing debates and provides an authoritative and much needed overview of the range of issues associated with drugs related crime Coverage includes a discussion on theoretical approaches to drugs and crime an overview of the legal position on drugs and drug offenders a critique of the aims and nature of treatment an examination of trafficking and laundering an analysis of the policing of drugs markets a discussion about the legalisation debates This new edition has been fully updated to include the latest data and recent developments in policy and particular attention is paid to changes in sentencing and treatment as well as changes to practice in trafficking An expanded chapter on

women drugs and crime now offers further coverage of drug taking and prostitution This is the only book in Britain which centres on the links between drugs and crime and deals with the policy implications of that link It is a comprehensive account of the various aspects of Government policy concerning drugs and should be particularly useful to academics and students interested in or studying this aspect of criminology Prevention and Societal Impact of Drug and Alcohol Abuse Robert T. Ammerman, Peggy J. Ott, Ralph E. Tarter, 1999-03 The chapters in this book provide a comprehensive overview of the pervasive effects throughout society of substance abuse as well as of prevention programs at a variety of levels The book will be of value to scholars and those working in the field alike **My Hardcover Book Munsrat Lives** Sam
