The Lancelot-Grail Cycle William W. Kibler,2010-07-22 Composed in Old French between about 1220 and 1240 the Lancelot Grail Cycle is a group of five prose romances centered on the love affair between Lancelot and Guenevere It consists of an immense central core the Lancelot Proper introduced by *The History of the Holy Grail* and *The Story of Merlin* and concluded by *The Quest for the Holy Grail* and *The Death of Arthur* This volume brings together thirteen essays by noted scholars from the first symposium ever devoted exclusively to the Lancelot Grail Cycle Exploring the cycle s evolution across the literatures of medieval France Italy Spain Catalonia and England the authors take a variety of approaches that highlight a broad range of cultural social historical and political concerns and offer a comparative and interdisciplinary vision of this great romance *The Crusades and the Far-Right in the Twenty-First Century* Charlotte Gauthier,2024-09-04 Engaging the Crusades is a series of concise volumes up to 50 000 words which offer initial windows into the ways in which the crusades

have been used in the last two centuries demonstrating that the memory of the crusades is an important and emerging subject Together these studies suggest that the memory of the crusades in the modern period is a productive exciting and much needed area of investigation This volume explores how crusading rhetoric iconography and historiography have been purposed by far right nationalist and related groups in the recent past through case studies as varied as Brenton Tarrant who killed 51 people at a mosque and Islamic centre in New Zealand in March 2019 a modern American military order that uses memes to recruit members and spread its ideology and the bestselling video game Assassin s Creed As nationalist and far right ideologies have gained adherents in Europe and the Americas understanding how ideologues have misused the crusading past for their own ends is more important than ever The Crusades and the Far Right in the Twenty First Century is useful for all students and scholars interested in the intersection between the history of the crusades and far right ideology in the modern age *Twentieth-Century Shore-Station Whaling in Newfoundland and Labrador* Anthony Bertram

Dickinson, Chesley W. Sanger, 2005 Newfoundland and Labrador has a long history of commercial whaling beginning in the first half of the sixteenth century when Basque whalers established seasonal stations on the Labrador coast from which to hunt bowheads and North Atlantic right whales Anthony Dickinson and Chesley Sanger examine the region s modern shore station industry from its beginnings in 1896 to its peak catch season in 1904 through subsequent cycles of decline and revival until its enforced closure in 1972 by the federal government Modern shore station whaling on Canada s eastern shores developed with the spread of Norwegian dominated whaling from local areas where stocks that had been depleted by new hunting technologies to more productive locations in the North Atlantic and elsewhere Twentieth Century Shore Station Whaling in Newfoundland and Labrador adds to a growing number of regionally specific case studies that collectively illustrate the complex nature of the history of global whaling Dickinson and Sanger further demonstrate how participants in the industry were instrumental in developing other whaling initiatives including those in British Columbia **Writing**

Geographical Exploration Wayne Kenneth David Davies, Arctic Institute of North America, 2004 His tale of adventure should occupy a more prominent place in the study of exploration literature and history not only in Canada but also in his homeland of Wales Jacket
