The Comfort Of Strangers King Penguin:

The Comfort of Strangers Ian McEwan, 1989 Creativity Don Barron, 1990-07 **Sharp Cut** Steven H. Gale, 2021-02-16 While best known as one of the most important playwrights of the twentieth century Harold Pinter 1930 2008 had an equally successful career writing screenplays His collaborations with director Joseph Losey garnered great attention and esteem and two of his screenplays earned Academy Award nominations *The French Lieutenant's Woman* 1981 and *Betrayal* 1983 He is also credited for writing an unproduced script to remake Stanley Kubrick's 1962 adaptation of *Lolita* Much scholarship has been dedicated to the subject of Pinter as playwright but the rich landscape of his work in film has been left largely undisturbed In *Sharp Cut* Harold Pinter's Screenplays and the Artistic Process Steven H Gale the world's foremost Pinter scholar analyzes Pinter's creative process from initial conception to finished film Gale makes careful point by point comparisons of each stage in the screenplay's creation the source material the adaptations themselves and the films made from the scripts in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning Unlike most Pinter scholars who focus almost solely on the written word Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement cutting and other techniques Pinter does not merely convert his stage scripts to screenplays he adapts the works to succeed in the other medium avoiding elements of the live play that do not work onscreen and using the camera's focusing operations in ways that are not possible on the stage As Pinter's career progressed and his writing evolved screenplays became for him an increasingly vital means of creative expression *Sharp Cut* is the first study to fully explore this important component of the Pinter canon *Leonard Maltin's 2009 Movie Guide* Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features **Pinter's World** William Baker, 2018-09-15 Pinter's World Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter's life character and thought employing new information found in his Appointment Diaries recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences in addition to personal discussions with several in Pinter's world This book provides a fresh illumination of Pinter's life and art his friendships obsessions and concerns Material is arranged around themes key concerns Pinter's activities Pinter's meetings and endeavors for instance with whom he met and when when he wrote what and when and his perspective at the time are documented This work explores Pinter's writing drama poetry prose journalism and letters which are here regarded as part of his aesthetic achievement Pinter's World Pinter and Company presents a pointillist portrait of him through examining central concerns in his life These encompass an obsession with the theater and games delight in restaurants demonstrating that Pinter is far removed from the socially awkward isolated figures populating his early work and the women in Pinter's world Other areas examined include Pinter's political engagement from his adolescence to his last years

and the literary and other creative influences upon him This work draws upon consultation of his papers at the British Library including letters to others especially close friends with whom he kept close contact for over half a century These letters should be regarded on par with his other creative accomplishments Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing often in abrupt most colorful idiomatic language His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met Memories from his friends his professional colleagues cricket players and his second wife Antonia Fraser illuminate Pinter s personality and actions Pinter s first literary love was poetry and unlike most other Pinter studies this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist

First Love, Last Rites Ian McEwan, 1989 Misfits freaks perverts and outcasts populate the grisly world and strange macabre tales of obsession sex and death in Ian McEwan s short stories

Intralingual Translation of British Novels Linda Pillière, 2021-04-22 Shortlisted for the ESSE 2022 Book Awards Shortlisted for the 2022 SAES AFEA Research Prize Building on an upsurge of interest in the Americanisation of British novels triggered by the Harry Potter series this book explores the various ways that British novels from children s fiction to travelogues and Book Prize winners have been adapted and rewritten for the US market Drawing on a vast corpus of over 80 works and integrating the latest research in multimodality and stylistics Linda Pilli re analyses the modifications introduced to make British English texts more culturally acceptable and accessible to the American English reader From paratextual differences in cover illustrations typeface and footnotes to dialectal changes to lexis tense syntax and punctuation Pilli re explores the sociocultural and ideological pressures involved in intralingual translation and shows how the stylistic effects of such changes including loss of meaning voice rhythm and word play often result in a more muted American edition In doing so she reveals how homing in on numerous small adjustments can provide fascinating insights into the American publishing process and readership

The Stranger from Omaha Jason Sperb, 2025 Alexander Payne s directorial career began with the satiric hit Citizen Ruth and continued with other successes such as Election About Schmidt The Descendants Nebraska and most recently The Holdovers Jason Sperb here provides the first monographic study on Payne s career and auteurship focusing on the theme of travel through his films Drawing on theories of tourism whiteness masculinity nostalgia and class Sperb structures his book using typical filmic plot points moving from Payne s backstory to the status quo his characters find themselves in before a catalyst spurs them to begin a journey that leads to a crisis and then of course resolution He uses each point to explore various of Payne s films such as exploring how the characters status quo in About Schmidt The Descendants and Downsizing lead them to a white savior mentality to help others with less privilege Through the characters journeys Sperb is able to focus on the Midwesternness of Payne s films even those that are located elsewhere based on Payne s roots in Omaha and his love of Westerns He concludes by examining the ways in which Payne s characters finish their

journeys not necessarily by addressing past crises or having a moment of growth but with fleeting moments of emotional release or experiencing moments of grace from others *The British Character, Studied and Revealed* Pont, 1982
