The Coming Of Rain:

The coming of rain Richard Marius,1969 **The Coming of Rain** Richard Marius,1974 *The New Testament Code* Robert H. Eisenman,2006 In this follow up to his blockbuster biblical studies world renowned scholar Eisenman not only gives a full examination of James relationship to the Dead Sea Scrolls he also reveals the true history of Palestine in the first century and the real Jesus of that time It s a work of intriguing speculative history complete with a conspiracy theory as compelling as any thriller The Coming Deluge of His Glory Nestor Kouassi,2019-06-14 It s obvious that we are living in an exceptional time Exceptional times require exceptional measures As in Psalm 2 there is an effort by world rulers to dethrone God and eradicate from society any references to Christ Consequently a war has been declared against Christ s Church which at this point in history is in a lethargic state A defiant departure from God and a slow purge of His helpful boundaries has led to emptiness of souls moral decadence arrogance division confusion The Sovereign God is however going to respond to the seemingly insurmountable challenges we face in a unique way God is coming down through what we know as a revival and an awakening to heal the wounded world the book states This exceptional divine intervention is what The Coming Deluge of His Glory is about It chronicles the author s fascinating and unusual history with God from a voodoo saturated village in Benin West Africa to the United States A unique journey that has given birth to a unique divine perspective This book is a compelling vision of a glorious season ahead Heaven is ready to touch the Earth God is coming down like an overwhelming flood to make His purpose established on Earth Nestor said He describes in the book the descriptive visions and insights the Holy Spirit instilled in him about the so awaited revival and awakening The Coming Deluge of His Glory will stir up faith hope and love in believers through captivating revelations and Nestor s knowledge of God s agenda for His kingdom It s a proclamation of the coming of God s army a lion generation of Christians whose mission is to conquer rule and reign with a royal authority and power It will set your heart on fire and help you explore the intensity of the Father s sublime love
