

The Coming Of The Lord

Stephen Motyer

The Coming Of The Lord:

The Coming of the Lord Arthur T. Pierson, 1896 **The Coming of the Lord** James Henry Snowden, 1919 The Coming Sister Penelope, Penelope Lawson, 1974 The theme of this book is that in the Incarnation in the Spirit in the Sacraments and in the Judgment there is a single Coming and that of man in his entirety to heaven The creeds affirm that Our Lord Jesus Christ came down from heaven to earth where he was born and died that he ascended thence to heaven after his resurrection and that from heaven he shall come again in glory to judge the living and the dead But the vision in the Book of Daniel from which Christ took his title Son of Man shows us a single Coming only the Coming of the one like to a son of man to the Ancient of Days in heaven And later in the same chapter the man is explained as the People of the Saints of the Most High Thus as there is only one Coming so also is there one Man who comes and Our Lord's appropriation of the title shows that we must regard his whole redeeming work as part of a single movement C S Lewis said of the original edition of The Coming of the Lord which in a revised form makes up the first half of this book I am simply delighted with it delighted excited and most grateful I think it is the best book the author has yet done and the best theological book by anyone I have read for a long time **The Second Coming and Kingdom of the Lord and Saviour Jesus Christ** William Kelly, 2015-01-04 Includes the following The Christian Hope and the Sure Word of Prophecy The Jews in relation to the Coming of the Lord The Gentiles in relation to the Coming of the Lord The Church of God in Relation to the Coming of the Lord The Rapture of the Saints Raised or Changed at Christ's Coming The Tribulation and those who are to pass through it The Appearing and Kingdom of the Lord Jesus The Judgment and the Eternal State On the Lord's Announcement of Gentile Judgments **The Coming of Christ** Isaac Massey Haldeman, 1906 *The Coming and Kingdom of the Lord Jesus Christ: Being an Examination of the Work of the Rev. D. Brown, on the Second Coming of the Lord* Horatius Bonar, 1849 **Come, Lord Jesus!** Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical

frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world The Coming of the Lord Jesus Christ Bishop Everett H. Jefferson Sr.,2023-07-11 The Coming of the Lord Jesus expresses the people living on the earth since the beginning of time until the coming of Jesus Christ These characters express their dedication to the Word of the Lord and their expectation to the coming of the Lord *The Time of His Coming* Michael Vilardi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book *The Time of His Coming* author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be *The Time of His Coming* will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind *The Time of His Coming* is easily one of the most compelling books to read today Order your copy today **"Waiting for the Coming"** John Thomas Mawson,2011-02 People have all sorts of ideas about what the future holds What is the truth about what lies ahead The Bible records that Jesus said He would return Is that true and if so what are the consequences for the Christian and the world In a series of Bible studies the author explores these and related issues considering relevant questions to which he discovers convincing answers Importantly he shows that the coming again of the Lord Jesus Christ will be in two stages the coming for His saints the Rapture and with them the Appearing In the light of these we each need to face the challenge Am I waiting for the coming of the Lord Jesus Christ
