The Coming of the Son of Man Jeffrey Horton, 2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn't it be great if you could open the door invite Jesus into your home and ask Him when He's coming back All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That's exactly what this

series does by unfolding in an easy to follow manner what God's Word shows us and what Jesus taught. Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ's return. The New Testament apostles received these keys from Jesus Himself. Over the centuries these revelations were lost or watered down leaving us clustered and even fearful. That's not God's will. It's time to let the Word speak for itself with a message of comfort, hope and victory. The Coming of the Son of Man brings you to your final destination literally. It shows you what Jesus taught His disciples about the end of this age, the rapture and the sign when all these things will be fulfilled. The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return. Along the way, Jesus's teaching known as the Olivet Discourse as well as the book of Revelation will become clear. No more confusion. No more questioning how to prepare. Simply the truth of God's plans and purposes.

The Coming Captivity and Restoration of Israel Rabbi Allan Moorhead, 2016-11-01

Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on revelations concerning the captivity and restoration of Israel. While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel, Rabbi Allan exegetes through thought-provoking evidences that there is more to take place before we see the restoration of the Israeli nation and poignantly correlates it to end time Bible prophecy. End time Prophecies have proven to be an imperfect study since all has not been revealed to God's people yet. We cannot understand prophecy in its entirety without understanding the history of Israel, how it has affected many nations and brought us where we are today.
