## The Coming Of The Sun:

*The Little Shepherd of Kingdom Come* Jr. John Fox,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Lost in the Cañon** A. R. Calhoun,2023-11-20 Excerpt The scene of this narrative is laid in Southwestern Colorado and the date is so recent that boys living out there at that time are only just beginning to think themselves young men and it is really astonishing how soon boys leap into vigorous manhood in that wild free land *The Tormentors* Robert Payne,1950 *The Second Coming of Christ* Richard Cunningham Shimeall,1873 West River Bill Bishop,2022-02-17 West River is a tale of the last pioneers on America s western frontier and the lessons they learned Growing up on his father s Badlands homestead Bill Barton chases his boyhood dream of one day staking his own homestead claim in the Black Hills Bill learns that dreams no matter how hard a man may struggle to make them come true can turn to dust before his very eyes Losing everything Bill comes to accept that a man needs to take life as it comes and make of it what he can Born into hard times Bill s daughter Velda grows up learning how to make do and do without Never backing down Velda fights for her place in the world while the Barton family struggles with the harsh realities of poverty amidst the daunting challenges of draught and depression The sudden outbreak of world war transforms the Barton family and their fortunes With a victorious America emerging as the leader of a new world order the Barton family is left to ponder the deeper meaning of America s newfound prosperity its outsized role in the world and whether future generations will be willing to stay the course and pay the price *The Greatest Westerns of Charles Alden Seltzer* Charles Alden Seltzer,2023-11-26 In *The Greatest Westerns of Charles Alden Seltzer* readers are immersed in a collection of masterfully crafted western tales that capture the essence of the American frontier Seltzer s vivid descriptions and authentic dialogue transport the reader to a time of rugged landscapes and daring adventures Each story is filled with action suspense and moral dilemmas showcasing Seltzer s depth of character development and plot intricacies The book stands out in the Western literary genre for its realistic portrayal of life in the Wild West making it a must read for enthusiasts of the genre Seltzer s writing style is both engaging and historically accurate making his works timeless classics that continue to captivate readers today *Through The First Antarctic Night, 1898-1899 : A Narrative of The Voyage of The "Belgica" Among Newly Discovered Lands Over An Unknown Sea About The South Pole* Frederick Albert Cook,2024-08-12 *Through the First Antarctic Night 1898 1899* by Frederick Albert Cook is a remarkable and immersive account of one of the earliest expeditions to the South Pole This gripping narrative chronicles the voyage of the Belgica a pioneering Antarctic expedition that ventured into uncharted territories and faced the challenges of the Antarctic winter for the first time In this detailed and compelling account Cook a distinguished explorer provides firsthand insights into the trials and triumphs of the expedition The book offers vivid descriptions of the crew s experiences navigating through newly

discovered lands and enduring the harsh conditions of an unknown sea Cook's detailed observations and reflections capture the essence of early polar exploration and the determination required to push the boundaries of human endurance Through the First Antarctic Night is more than just a travelogue it is a testament to the spirit of exploration and the quest for scientific knowledge Cook's narrative conveys the profound challenges faced by the expedition team their interactions with the harsh and awe inspiring environment and their contributions to the early understanding of Antarctic geography Ideal for history enthusiasts polar exploration aficionados and readers interested in the early days of scientific exploration this book provides an invaluable glimpse into one of the most significant voyages in the annals of Antarctic exploration Cook's vivid storytelling and detailed observations make Through the First Antarctic Night a captivating and educational read for anyone fascinated by the epic journeys to the world's most remote frontiers

**The Lonesome Trail** John G. Neihardt, 2022-06-02 John G. Neihardt's The Lonesome Trail is a poignant compendium of tales that traverses the vast and unforgiving landscapes of the Old West Neihardt's prose echoes the harshness and desolation of the frontier capturing the essence of the so called outsider with a literary style that is as intimate as it is merciless In the quoted excerpt one experiences the harrowing flight of Antoine through a night that mirrors his internal desolation This collection is not just an exemplar of Western genre fiction but a study in human loneliness and resilience set against a backdrop of the expansive prairies and the unyielding circumstances of frontier life The narrative is infused with the lyrical realism that characterizes Neihardt's work and it stands as a testament to the era's social and cultural milieu John G. Neihardt an illustrious figure in American literature and poetry is renowned for his deep engagement with Native American culture and the history of the American West His background and extensive research into these subjects provide The Lonesome Trail with its rich authenticity and vivid characterizations One can surmise that Neihardt's own profound contemplations of the human spirit's endurance against elemental and existential adversities led him to craft these narratives His writing is uniquely American drawing its spirit from the land and history that it depicts The Lonesome Trail is a must read for aficionados of American history and literature particularly those enthralled by the Old West's mythos It offers an unflinching look at individual existence on the fringes of society and nature This collection is highly recommended for readers seeking stories that blend historical richness with deep existential inquiry all while bearing witness to the stylistic grace and narrative power of Neihardt's writing His able conjuring of time and place ensures that the reader is not merely an observer but a fellow traveler on the lonesome trail
