Communication Roger D. Sell,2002-01-01 In this book members of the ChiLPA Project explore the children s literature of several different cultures ranging from ancient India nineteenth century Russia and the Soviet Union to twentieth century Britain America Australia Sweden and Finland The research covers not only the form and content of books for children but also their potential social functions especially within education These two perspectives are brought together within a theory of children s literature as one among other forms of communication an approach that sees the role of literary scholars critics and teachers as one of mediation Part I deals with the way children s writers and picturebook makers draw on a culture s available resources of orality literacy intertextuality and image Part II examines their negotiation of major issues such as the child adult distinction gender politics and the Holocaust Part III discusses children s books as used within language education programmes with particular attention to young readers pragmatic processing of differences between the context of writing and their own context of reading **The Essential Wayne Booth** Wayne C. Booth,2006-07-15 Publisher description

Stories and Their Limits Hilde Lindemann Nelson,2014-01-21 Narratives have always played a prominent role in both bioethics and medicine the fields have attracted much storytelling ranging from great literature to humbler stories of sickness and personal histories And all bioethicists work with cases from court cases that shape policy matters to case studies that chronicle sickness But how useful are these various narratives for sorting out moral matters What kind of ethical work can stories do and what are the limits to this work The new essays in *Stories and Their Limits* offer insightful reflections on the relationship between narratives and ethics *The Character of the Manager* G. Beabout,2013-08-01 Explores

Alasdair MacIntyre s criticisms of the manager and retrieves an interdisciplinary approach to character transforming arguments The manager as wise steward is proposed as a model for virtuous management **Introduction to Ethical**

Literary Criticism Nie Zhenzhao,2023-09-15 The title is a thorough introduction to ethical literary criticism a critical methodology designed to interpret literature from the perspective of ethics including a whole set of concepts theories and working mechanisms Drawing on ideas from both Western ethical criticism and the Chinese tradition of moral criticism ethical literary criticism contrasts with the former in its occasional lack of a theoretical foundation and applicable methodologies and the latter that tends to make subjective moral judgments Its most ground breaking argument is that while

natural selection answers how humans are different from animals physically ethical selection endows human beings with reason and ethical consciousness The ethical nature and edifying function of literature is therefore asserted seeking to unfold in the literary text the ethical choices of human beings as a way to complete ethical selection in society within historical context The arguments and theoretical toolbox inject a unique ethical dimension into literary criticism and help understand anew the ethical and social potency of literature The theoretical elucidation exemplary textual analyses and a supplement of key terminologies and ancillary materials make this book an essential guide for students and general readers interested in ethical literary criticism and scholars of literary criticism ethical criticism and literary theory Through the Lens of the Reader Lilian R. Furst, 1991-11-29 Through the Lens of the Reader is a sequence of ten essays exploring European narrative from the eighteenth to the twentieth century It covers a wide spectrum of authors ranging from Goethe through Balzac Flaubert Zola George Eliot Henry James to Rilke Thomas Mann and Kafka The essays are unified by a particular mode of reading in which the lens of the reader becomes the filter through which texts are constructed in accordance with the signals emitted by their narrational and linguistic strategies **New Testament Ethics** Frank J. Matera, 1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both
